City Commission Agenda

Staff Report

Agenda Date	April 7, 2026	**Item No**	7.A.
Section	CONSENT AGENDA	**Category**	Consent - Resolution
Subject	Locally Funded Agreement - FDOT Project #450644, State Road 5A (Nova Road) from Flomich Street to US 1		
Recommended Action	Confirm the Commission's direction on the painting of the mast arms.		
Strategic Goal	Transportation & Community Development - Other		
Department Staff Contact	Public Works - Engineering Shawn Finley, Assistant City Manager		

Summary

This item is presented to confirm the City Commission's recent policy direction concerning the painting of traffic mast arms. Historically, the City Commission has directed staff to paint certain traffic mast arms green to maintain a consistent aesthetic throughout the City.

More recently, the Commission discussed this practice and indicated a potential shift away from painting mast arms to reduce costs. Staff is seeking confirmation of this direction prior to proceeding with the project.

Under Florida Department of Transportation (FDOT) policy, if the City elects to paint the mast arms, a Locally Funded Agreement (LFA) with the State is required. Under this agreement, it would make the City responsible for both the additional upfront cost of painting the mast arms and the ongoing maintenance of the mast arms.

Requested action is to confirm the Commission's direction regarding whether to continue or discontinue the practice of painting mast arms.

Financial Impact

The estimated cost to paint the three mast arms included in this project is $44,886. This project was not specifically included in the FY 2025-26 budget. If the Commission desires to continue

the practice of painting the mast arms, a budget amendment would be required with funding appropriated from the Transportation Fund.

Citizen Impact

Proper traffic control signals enhance traffic safety throughout our corridors. The painting of mast arms is a past practice of the City to maintain a consistent aesthetic throughout the community.

Staff Report

Agenda Date	April 7, 2026	**Item No**	7.B.
Section	CONSENT AGENDA	**Category**	Consent - Resolution
Subject	Bid Award - 2026 Storm and Sewer Pipe Lining		
Recommended Action	Staff recommends awarding the bid to Insituform Technologies, LLC. in the amount of $1,343,500 for the 2026 Storm and Sewer Pipe Lining project.		
Strategic Goal	Water Quality & The Environment - Other		
Department Staff Contact	Public Works - Engineering Shawn Finley, Assistant City Manager		

Summary

The lining of storm and sewer pipes is an annual project intended to extend the length of service to the City's drainage network. The cost of lining a pipe varies by pipe size, but on average is approximately $120 per foot, as opposed to $300 per foot to reconstruct. On January 20, 2026, the Commission approved the advertisement for bids for the project. Nine bids were received, with bid amounts ranging from $1,343,500 to $1,734,875. The lowest bidder was Insituform Technologies, LLC.

This project will maintain existing infrastructure, protect the public and ensure the proper function of the City's stormwater conveyance systems. The lining of pipes reduces the overall costs of pipe repair and maintenance.

The construction activities associated with this project are low impact and mainly involve a pipe cleaning and lining truck and crew, which is typically staged around an upstream and downstream manhole in the street in order to access the pipe being rehabilitated. On large diameter pipes, the lining process can take several hours, and it is often necessary to continue the process through the evening to not interrupt the curing process. The end result is an improved drainage pipe that allows more stormwater to flow through pipes, reducing the possibility of roadway and neighborhood flooding.

Financial Impact

The bid amount is $1,343,500. Funding is included in the Fiscal Year 2025-26 budget, $1,325,777.82 within Fund 107-Stormwater for the storm drain pipe rehabilitation and

$450,000.00 in Fund 409-Water and Wastewater Renewal and Replacement for the sanitary sewer pipe rehabilitation.

Citizen Impact

Minor traffic delays are expected and on large diameter pipes, the lining process can take several hours and it is often necessary to continue the process through the evening to not interrupt the curing process. The end result is an improved drainage pipe that allows more stormwater to flow through pipes reducing the possibility of roadway and neighborhood flooding, which is beneficial to the citizens and the City.

City Commission Agenda

Staff Report

Agenda Date	April 7, 2026	**Item No**	7.C.
Section	CONSENT AGENDA	**Category**	Consent - Resolution
Subject	A1A Utility Relocation Phase 2 (Roberta Rd to Flagler County Line)		
Recommended Action	Staff recommends award for the 2026 A1A Utility Relocation project Phase 2 to Thadcon, LLC at the Total Base Bid amount of $497,285.04.		
Strategic Goal	Water Quality & The Environment - Other		
Department Staff Contact	Public Works - Engineering Shawn Finley, Assistant City Manager		

Summary

The Florida Department of Transportation (FDOT) has an upcoming construction project on A1A from Roberta Road north to the Flagler County Line. FDOT will be improving pedestrian safety, repaving the roadway, and providing additional drainage for State Road A1A with this project. In several locations, proposed drainage structures are in conflict with existing City-maintained water mains, sewer force mains, fire hydrants and a water standpipe. These City-owned facilities are permitted within the FDOT right of way provided they do not conflict with FDOT facilities. The City is required to relocate those utilities necessary to accommodate the FDOT project.

Plans and specifications for this project were presented to the City Commission on January 20, 2026. On February 25, 2026, nine bids were received ranging from $497,285.04 to $1,118,435. Thadcon, LLC. was the lowest responsible and responsive bidder with an amount of $497,285.04.

Financial Impact

Following the approval of the City's FY 2025-26 budget, FDOT notified the City that they would commence construction during FY 2025-26. This project was not included in the budget and will require an amendment of $497,285.04 from Fund 409 - Water and Wastewater Renewal & Replacement.

Citizen Impact

Successful completion of this work ensures no adverse impacts to utility services and allows FDOT to maintain their project schedule. The new facilities will be outside the asphalt, ensuring any future repairs do not impact the traveling public.

1. Payments of the Pooled Settlement Amount to the Settlement Fund will be allocated among the Remnant Defendants in accordance with each Remnant Defendant's agreed portion as separately negotiated and agreed to by each Remnant Defendant with Plaintiffs' Settlement Counsel in the Related Agreements. A Remnant Defendant's sole responsibility for payments under this Agreement and any related agreements (including without limitation the Fee Agreement attached hereto as **Exhibit H**) shall be to pay its respective portion of the Pooled Settlement Amount. The obligations of the Remnant Defendants in this Agreement are several and not joint. No Remnant Defendant shall be responsible for any portion of another Remnant Defendant's share.

2. The Remnant Defendants shall pay into the Settlement Fund by wire transfer their respective portion of the Pooled Settlement Amount within forty-five (45) days of the later of (1) receipt of a fully executed copy of this Settlement Agreement, or (2) the Remnant Defendants' receipt of the information and instructions required to effectuate the wire transfer.

The payment of the Compensatory Restitution Amount by the Remnant Defendants constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of and/or because of alleged bodily injury) allegedly caused by the Remnant Defendants;

4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Participating Subdivisions to the same position or condition that they would be in had the Participating Subdivisions not suffered the Alleged Harms; and

Reg. § 1.468B-1, *et seq.*, is not permitted to invest in, pursuant to the Treasury regulations, or any modification in Internal Revenue Service ("*IRS*") guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise. All risks related to the investment of the Settlement Funds shall be borne by the Settlement Fund, and any losses in the Settlement Fund shall be borne by the Settlement Fund and shall not be recoverable from the Remnant Defendants. The Remnant Defendants shall have no responsibility for, interest in, or liability whatsoever with respect to the investment decisions or the actions of the Settlement Fund Administrator or any transactions executed by the Settlement Fund Administrator related to the investment of the Settlement Funds.

3. The Settlement Fund Administrator shall not, and Plaintiffs' Settlement Counsel shall not instruct the Settlement Fund Administrator to, disburse the Settlement Funds, except as provided in this Agreement or by order of the MDL Court. For the avoidance of doubt, the Settlement Fund Administrator is authorized, and Plaintiffs' Settlement Counsel is authorized to instruct the Settlement Fund Administrator, to execute such transactions as are consistent with the terms of this Agreement or as directed by the MDL Court, including but not limited to execute transactions prior to the Effective Date to enable payment of Notice and Administrative Costs as incurred.

4. All funds held in the Settlement Fund shall be deemed and considered to be *in custodia legis* of the MDL Court, and shall remain subject to the jurisdiction of the MDL Court, until such time as such funds are distributed pursuant to this Agreement and/or further order(s) of the MDL Court.

E. **Taxes.**

1. The Settlement Fund shall be, and shall be treated by the Settling Parties and the Settlement Fund Administrator as being at all times, a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-1(c)(1), and over the Settlement Fund Administrator as its administrator. The Settlement Fund Administrator shall not take any action or tax position inconsistent with such treatment. In addition, the Settlement Fund Administrator shall timely make such elections as necessary or advisable and do all things necessary to carry out the provisions of this Section III., and shall, in any

event, make any available "*relation-back election*" (as defined in Treas. Reg. § 1.468B-1(j)(2) (and corresponding or similar elections under state, local, or foreign law, as applicable)), back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Settlement Fund Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. The Settling Parties agree to take any other reasonable actions as shall be necessary to ensure that the Settlement Fund qualifies as a qualified settlement fund for federal and state income tax purposes including but not limited to requesting the MDL Court to formally (i) approve the Settlement Fund as a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-1, and (ii) confirm its continuing jurisdiction over the Settlement Fund and the Opioid Remediation Fund. Notwithstanding anything in this Agreement to the contrary, the Settlement Fund Administrator shall not on behalf of or in connection with the Settlement Fund request a private letter ruling, technical advice memorandum or any other ruling or guidance from the Internal Revenue Service or any other taxing authority on any matter without consulting with and obtaining the prior written consent of each Remnant Defendant.

2. For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and Treas. Reg. § 1.468B-2(k)(3) (and any corresponding or similar provisions of state, local or foreign law, as applicable), the qualified settlement fund "administrator" shall be the Law Office of Joseph C. Tann, PLLC and Winbridge Partners, LLC. Plaintiffs' Settlement Counsel shall cooperate with and cause the Settlement Fund Administrator to, and the Settlement Fund Administrator shall satisfy the administrative requirements imposed by Treas. Reg. § 1.468B-2 (and any similar provisions of state, local or foreign law, as applicable) by, for example: (i) obtaining employer identification numbers and providing the same in an IRS Form W-9 to the Remnant Defendants; (ii) satisfying any information reporting or withholding requirements imposed with respect to the Settlement Fund, including with respect to any distributions from the Settlement Fund; (iii) timely and properly filing or causing to be filed all informational and other tax returns or filings necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) and paying any taxes reported thereon; (iv) sending copies of all such tax returns and filings to the Remnant Defendants; and (v) providing instructions for the release of sufficient funds from the Settlement Fund to pay all Taxes owed by the Settlement Fund in accordance with Section III. and Treas. Reg. § 1.468B-2 and any applicable state, local or other tax laws. Such returns, as well as the relation-back election described in Section III.E.1., shall be consistent with the provisions of this Section III.E.2. and in all events shall reflect that all Taxes as defined in Section I.YY. on the income earned by the

Settlement Fund shall be paid out of the Settlement Funds as provided in Section III.E.3. Each Released Entity shall provide to the administrator and the IRS the statement described in Treas. Reg. § 1.468B-3(e)(2) no later than February 15th of the year following each calendar year in which such Released Entity made its transfer to the Settlement Fund. The Released Entities shall have no responsibility or liability for the Settlement Fund's tax returns or other filings.

3. The following shall be paid out of the Settlement Funds: (i) all Taxes (including any estimated taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including, without limitation, any taxes or tax detriments that may be imposed upon the Remnant Defendants, their counsel, or any Released Entity with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a qualified settlement fund for federal or state income tax purposes (collectively, "*Taxes*"), and (ii) all Tax Expenses. In all events, neither the Remnant Defendants nor any other Released Entity nor their counsel shall have any liability or responsibility for any Taxes or Tax Expenses. With funds from the Settlement Fund, the Settlement Fund Administrator shall indemnify and hold harmless the Remnant Defendants and any other Released Entity and their counsel for all Taxes and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, all Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall timely be paid by the Settlement Fund Administrator out of the Settlement Funds without prior order from the MDL Court. The Settlement Fund Administrator shall be obligated (notwithstanding anything herein to the contrary) to withhold from any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)) (and any corresponding or similar provisions of state, local or foreign law, as applicable). Neither the Remnant Defendants nor any Released Entity nor their counsel is responsible therefor, nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Settlement Fund Administrator, each other, their tax attorneys, and their accountants to the extent reasonably necessary to carry out the provisions of this Section III.E.3. and with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

IV. Implementing the Agreement

A. **Stay.** Following the Preliminary Agreement Date, Plaintiffs' Settlement Counsel and Remnant Defendants shall promptly jointly inform the MDL Court and jointly undertake reasonable best efforts to stay the Actions as to the Remnant Defendants.

C. **Participation by Subdivisions.**

1. A Subdivision may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Notice and Claims Administrator specifying (1) that the Subdivision agrees to the terms of this Agreement, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives from the Opioid Remediation Fund, if any, pursuant to the applicable requirements of Section VII., *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation, and (4) the Subdivision submits to the jurisdiction of the MDL Court for purposes limited to the MDL Court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as **Exhibit G**.

2. The eligibility of entities that submit Subdivision Settlement Participation Forms to participate in the Settlement as Participating Subdivisions will be subject to confirmation by the Notice and Claims Administrator.

3. Subdivision Settlement Participation Forms shall be deemed valid only for the entity named in the request.

4. Subdivision Settlement Participation Forms shall be deemed timely if received by the Notice and Claims Administrator no later than the Subdivision Settlement Participation Form Submission Deadline, or otherwise as agreed in writing by Plaintiffs' Settlement Counsel and the Remnant Defendants.

5. A Subdivision that has not submitted a Settlement Participation Form, and is thus a Non-Participating Subdivision, shall not directly receive any portion of the Opioid Remediation Funds. The Remnant Defendants reserve all of their legal rights and defenses with respect to Non-Participating Subdivisions.

6. Within ten (10) calendar days of the Subdivision Settlement Participation Form Submission Deadline, as extended by written agreement, the Notice and Claims Administrator shall deliver to Plaintiffs' Settlement Counsel and Remnant Defendants the Participation Report.

7. Within fifteen (15) calendar days of delivering the Participation Report, the Notice and Claims Administrator shall deliver to Remnant Defendants copies of all Subdivision Settlement Participation Forms.

D. **Notice by Remnant Defendants.**

1. After receiving the Participation Report, each Remnant Defendant will individually determine on or before the Reference Date whether there is sufficient Subdivision participation and sufficient resolution or dismissal of the Claims of the Litigating Subdivisions to proceed with this Agreement. The determination shall be in the sole discretion of the Remnant Defendant and may be based on any criteria or factors deemed relevant by the Remnant Defendant.

2. On or before the Reference Date, each Remnant Defendant shall inform Plaintiffs' Settlement Counsel of its determination pursuant to Section IV.D.1. If one or more Remnant Defendants determine to proceed, those Parties will proceed to file the motion for a Consent Judgment and the obligations in the Subdivision Settlement Participation Form will become effective and binding as of the Effective Date. If one or more Remnant Defendants determine not to proceed, those Remnant Defendants shall serve notice of their decision to terminate this Agreement as to them only in accordance with Section V.C.

E. **Entry of Consent Judgment.**

1. Within fourteen (14) days after the Reference Date (or the next business day thereafter), the Settling Parties shall submit an appropriate motion to the MDL Court reporting upon the Settlement as specified herein, including the Participation Report, and jointly requesting that the MDL Court:

   a. enter a final consent judgment dismissing the Actions coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;

   b. direct Participating Subdivisions to dismiss the other Actions not coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;

c. discharge and release the Released Entities from all Released Claims;

d. permanently bar and enjoin the institution and prosecution by Participating Subdivisions of any other action against the Released Entities in any forum asserting any claims related in any way to the Released Claims;

e. reserve and continue exclusive jurisdiction over the Settlement, including the Settlement Fund, Opioid Remediation Fund, the Settlement Fund Administrator, the Notice and Claims Administrator, and all future proceedings concerning the administration, consummation, and enforcement of this Agreement;

f. determine pursuant to Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and direct entry of a final judgment as to the Participating Subdivisions and the Remnant Defendants; and

g. confirm such other and further provisions consistent with the terms of this Agreement to which the Settling Parties expressly consent in writing.

2. In connection with the filing of the motion for a Consent Judgment, Plaintiffs' Settlement Counsel will also request that the MDL Court approve the proposed Plan of Allocation, as altered by subsequent agreement, if any, pursuant to Section VII.B.3, and apply the MDL Court's prior common benefit Orders to the Settlement Funds.

3. Participating Subdivisions shall be subject to and bound by the provisions of this Agreement, the releases contained herein, and the Final Judgment.

V. Conditions of Settlement; Effect of Disapproval, Cancellation, or Termination

A. Occurrence of Effective Date.

1. Upon the Effective Date, any and all remaining interest or right of the Remnant Defendants that have elected to proceed with the Settlement, in or to the Settlement Funds, if any, shall be absolutely and forever extinguished except as provided by this Agreement, and the Settlement Funds (less any Notice and Administrative Costs, Taxes, Tax Expenses, or Attorneys' Fees and Expenses paid) shall be transferred from the Settlement Fund to the Opioid Remediation Fund, and from the Settlement Fund Administrator to the Notice and Claims Administrator as successor Settlement Fund Administrator, within ten (10) business days of the Notice and Claims Administrator notifying Plaintiffs' Settlement Counsel

it is ready to distribute the Opioid Remediation Funds, which must be after the Effective Date.

2. Upon the Effective Date, the Participating Subdivisions shall dismiss the Actions with prejudice as to the Released Entities, including all Actions listed on **Exhibit A**, as provided for in the Consent Judgment.

B. **Failure of Effective Date to Occur.** In the event that the Effective Date does not occur for any reason as to one or more Remnant Defendants, including for the reasons set forth in Sections IV.C., then this Agreement shall be cancelled and terminated as to those Remnant Defendants for which the Effective Date does not occur only, unless the affected Settling Parties mutually agree in writing to proceed with this Agreement.

C. **Termination**.

1. Prior to the Effective Date, this Agreement may be terminated by a Remnant Defendant as to it (but not as to any other Remnant Defendant) by serving on Plaintiffs' Settlement Counsel and counsel for the other Remnant Defendants a written notice of termination within ten (10) calendar days (or such longer time as may be agreed between Remnant Defendants and Plaintiffs' Settlement Counsel) after any of the following occurrences:

   a. the Remnant Defendant provides written notice of its election not to proceed under Section IV.D.2.;

   b. a Consent Judgment approving this Agreement without modification of any of this Agreement's terms has not been entered by the MDL Court on or before one hundred eighty (180) calendar days after the Preliminary Agreement Date;

   c. this Agreement or the Consent Judgment has been disapproved by the MDL Court (or, in the event of an appeal from or review of a decision of the MDL Court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

   d. the Effective Date does not otherwise occur within one hundred eighty (180) calendar days after the Preliminary Agreement Date.

2. If this Agreement is terminated by one or more Remnant Defendants pursuant to Section V.C.1.:

a. Plaintiffs' Settlement Counsel must notify the Settlement Fund Administrator and/or the Notice and Claims Administrator of those Remnant Defendants' decision to terminate this Agreement within seven (7) days of receiving written notice of such termination and instructions from those Remnant Defendants required to effectuate the wire transfer for the Termination Refund;

b. the Settlement Fund Administrator and/or the Notice and Claims Administrator shall transfer the Termination Refund to those Remnant Defendants within seven (7) days of receiving written notice from Plaintiffs' Settlement Counsel; and

c. upon receipt of the Termination Refund, this Agreement and all of its terms (except Section X.L. and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated, and this Agreement and all orders issued pursuant to this Agreement shall become null and void and of no effect as between the Participating Subdivisions and the terminating Remnant Defendants only. The Participating Subdivisions and those Remnant Defendants shall be returned to the status quo that existed in the Actions immediately prior to their entry into this Settlement Agreement (subject to appropriate extensions of deadlines to enable the Actions to proceed), and the Participating Subdivisions and the terminating Remnant Defendants shall retain all of their respective rights and defenses as of immediately prior to their entry into this Settlement Agreement. The Participating Subdivisions and those Remnant Defendants shall then proceed in all respects as if this Agreement and any related orders had not been executed.

VI. Notice and Claims Administrator

A. **Selection of Notice and Claims Administrator.** Plaintiffs' Settlement Counsel shall nominate, subject to the consent of the Remnant Defendants, an entity to serve as Notice and Claims Administrator that meets the following requirements:

1. The Notice and Claims Administrator will be bound by an agreement mutually acceptable to Plaintiffs' Settlement Counsel and Remnant Defendants.

2. The Notice and Claims Administrator will act as an independent and neutral third party in the performance of its functions including administering and disbursing funds from the Settlement Fund and the Opioid Remediation Fund.

3. The Notice and Claims Administrator may not be an entity that has acted as counsel for, or otherwise represented, a party in claims relating to Products.

4. The Notice and Claims Administrator shall have the authority to perform all actions consistent with the terms of this Agreement that the Notice and Claims Administrator deems to be reasonably necessary to effectuate the notice. Subject to the Parties' approval, the Notice and Claims Administrator may retain any entity that the Notice and Claims Administrator deems to be reasonably necessary to provide assistance in effectuating Notice to the Participating Subdivisions.

5. The Notice and Claims Administrator's role generally shall include, consistent with the terms of this Agreement, administration of the proposed Settlement, including receiving, preserving, reviewing, analyzing, and approving Participation Forms, including all supporting documentation, as well as distributing and overseeing distribution of the Opioid Remediation Fund according to the Plan of Allocation.

6. Any successor to the initial Notice and Claims Administrator shall be subject to the consent of all Settling Parties, shall fulfill the same functions from and after the date of succession, and shall be bound by the determinations made by the predecessor(s) to date.

7. The Notice and Claims Administrator shall have no authority to alter in any way the Settling Parties' or Participating Subdivisions' rights and obligations under this Agreement.

8. The Remnant Defendants and Released Entities shall have no involvement with or responsibility for supervising the Notice and Claims Administrator and are not subject to the authority of the Notice and Claims Administrator.

9. All fees, costs, and expenses incurred in the administration and/or work by the Notice and Claims Administrator, including fees, costs, and expenses of the Notice and Claims Administrator, as well as the costs of distributing the Notice, shall be paid from the Settlement Funds. Remnant Defendants shall have no obligation to pay any such fees, costs, and expenses other than the Pooled Settlement Amount.

B. **Distribution of Settlement Fund.**

1. The Notice and Claims Administrator shall administer the claims submitted by Participating Subdivisions and shall oversee distribution of the Settlement Funds, including distribution of amounts in the Opioid Remediation Fund to Participating Subdivisions pursuant to the Plan of Allocation. Subject to the terms of this Agreement and any order(s) of the

MDL Court, as may be necessary or as circumstances may require, the Settlement Funds shall be applied as follows:

a. to pay Taxes and Tax Expenses on the Settlement Funds (but not on any individual distributions to Participating Subdivisions made pursuant to the Plan of Allocation);

b. to pay Notice and Administrative Costs (including escrow fees and costs);

c. to pay the Attorneys' Fees and Expenses, as set forth in and pursuant to the provisions of Section VII. of this Agreement; and

d. to distribute the balance, which constitutes the "Opioid Remediation Funds," to Participating Subdivisions as allowed by this Agreement and the Plan of Allocation.

2. No amount may be disbursed from the Settlement Fund until the Effective Date, except that: (a) Notice and Administrative Costs (including escrow fees and costs) may be paid from the Settlement Fund as they become due, and (b) Taxes and Tax Expenses on the Settlement Funds may be paid from the Settlement Fund as they become due.

C. **Distribution of Opioid Remediation Fund.** Upon the Effective Date and thereafter, and in accordance with the terms of this Agreement, the Plan of Allocation, and any further order(s) of the MDL Court, the Opioid Remediation Funds shall be distributed to Participating Subdivisions as provided by Section VI.B.1.d.

VII. Use and Allocation of Opioid Remediation Fund.

A. Use of Opioid Remediation Funds.

1. It is the intent of the Parties that the payments disbursed from the Opioid Remediation Fund to Participating Subdivisions be for Opioid Remediation as set forth in **Exhibit D**: List of Opioid Remediation Uses, all of which are compensatory and remedial in nature consistent with the restitution characterization under 26 U.S.C. § 162(f)(2)(A). In no event may less than ninety-five percent (95%) of the Opioid Remediation Funds be spent on Opioid Remediation.

2. While disfavored by the Parties, a Participating Subdivision set forth on **Exhibit C** may use monies from the Opioid Remediation Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Participating Subdivision set forth on **Exhibit C** uses any monies from the Opioid Remediation Fund for a purpose that does not qualify as Opioid Remediation, such Participating Subdivision set forth on **Exhibit C** shall identify such amounts and report to the Notice and

Claims Administrator and the Remnant Defendants how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section VII.A.2. shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section VII.A.2. as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section III.B., and (b) Participating Subdivisions not listed on **Exhibit C** may only use monies from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation.

B. **Allocation of Opioid Remediation Fund.** The allocation of the Opioid Remediation Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. The Notice and Claims Administrator will, for each Participating Subdivision, apply the terms of this Agreement and any relevant State-Subdivision Agreement or voluntary redistribution of funds as set out below before disbursing the funds.

1. A State-Subdivision Agreement may govern the operation and use of amounts allocated to the Participating Subdivisions of a particular State so long as the terms do not conflict with Section VII.A. and the funds are held in a segregated account until distributed for their intended purposes.

2. In the absence of an applicable State-Subdivision Agreement, the Opioid Remediation Fund will be used solely for future Opioid Remediation and the Opioid Remediation Funds will be distributed for their intended purposes by the Notice and Claims Administrator to Participating Subdivisions included on **Exhibit E** pursuant to the Plan of Allocation. Section VII.B.3. shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in **Exhibit E**. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Opioid Remediation Fund, regardless of whether such Subdivision is included on **Exhibit E**. Also, no State will receive any amount from the Opioid Remediation Fund.

3. Any portion of the Opioid Remediation Fund allocated pursuant to Section VII.B. and the Plan of Allocation to a Subdivision that is a Non-Participating Subdivision will be re-allocated among Participating Subdivisions as later agreed between Plaintiffs' Settlement Counsel and Remnant Defendants. For avoidance of doubt, any amount allocated to a Participating Subdivision under this Section VII.B.3. must be used as provided by Section VII.A.

C. **No Liability for Distribution of Settlement Fund or Opioid Remediation Fund.** Neither the Released Entities nor their counsel shall have any responsibility for, or liability whatsoever with respect to, the distribution of the Settlement Fund or Opioid

Remediation Fund; administering the Plan of Allocation; the Settlement Fund's or Opioid Remediation Fund's qualification as a "qualified settlement fund"; the payment or withholding of Taxes or Tax Expenses; the distribution of Settlement Funds or Opioid Remediation Funds; or any losses incurred in connection with any such matters. The Releasors hereby fully, finally, and forever release, relinquish, and discharge the Released Entities and their counsel from any and all such liability. No entity shall have any claim against Plaintiffs' Settlement Counsel, the Notice and Claims Administrator, or any Released Entity based on the distributions made in accordance with this Agreement, the Plan of Allocation, or further orders of the MDL Court.

D. **Balance Remaining in Settlement Fund or Opioid Remediation Fund.** If there is any balance remaining in the Settlement Fund or Opioid Remediation Fund (whether by reason of tax refunds, uncashed checks, or otherwise), such balance shall be deemed as Opioid Remediation Funds and distributed in accordance with the Plan of Allocation and Section VII., and shall be used and expended solely for the purpose set forth in **Exhibit D**, or further order of the MDL Court (but not to the Remnant Defendants).

VIII. Attorneys' Fees and Expenses

The Agreement on Attorneys' Fees and Expenses is set forth in **Exhibit H** and incorporated herein by reference. The Released Entities shall have no responsibility for or liability whatsoever with respect to any payment for Attorneys' Fees and Expenses or to any other entity or person that may assert a claim for any attorneys' fee, expense, or costs, except as set forth in the Agreement on Attorneys' Fees and Expenses in **Exhibit H**.

IX. Releases and Dismissal

A. **No Future Actions Following Release.** As of the Effective Date, the Released Entities are fully, finally, and forever released and discharged from all of the Releasors' Released Claims. Each Releasor hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever, whether on its own behalf, or as part of any putative, purported, or certified class. The releases provided for in this Agreement are intended by the Settling Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims. This Agreement shall be a complete bar to any Released Claim. Other than as set forth herein, this Agreement does not include any provisions for injunctive relief. Participating Subdivisions shall look solely to the Settlement Funds for settlement and satisfaction against the Released Entities of all claims that are released hereunder. The MDL Court shall have continuing and exclusive jurisdiction to enforce the terms and provisions of this Agreement and any and all of its Orders made in connection with Settlement approval, notice, administration, and implementation.

B. **Claim-Over and Non-Party Settlement.**

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance or other third-party contract), from other parties for their payment obligations under this Agreement;

b. The payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. this Agreement meets the Uniform Contribution Among Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to pay other parties.

The provisions of this Section IX.B. are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided that* a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance or other third-party contracts.

3. To the extent that, on or after the Effective Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will seek to include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Remnant Defendants in Section IX.B.2. or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment against a Non-Released Entity that does not contain a prohibition like that described in Section

IX.B.2., or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section IX.B.2., and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section IX.B.2. with respect to that Non-Released Entity and that Releasor and the Remnant Defendants shall take the following actions to ensure that the Released Entities do not pay more with respect to the Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by the Remnant Defendants:

a. The Remnant Defendants shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or within sixty (60) days of the Effective Date, whichever is later.

b. The Remnant Defendants and that Releasor shall meet and confer concerning the means to hold the Released Entities harmless from the Claim-Over and ensure that the Released Entities are not required to pay more with respect to the Released Claims than the amounts owed by Remnant Defendants under this Agreement.

c. That Releasor and the Remnant Defendants shall take steps sufficient and permissible under applicable law to hold the Released Entities harmless from the Claim-Over and ensure the Released Entities are not required to pay more with respect to the Covered Conduct than the amounts owed by Remnant Defendants under this Agreement. Such steps may include, where permissible:

    (i) The Releasor supporting a motion to dismiss or such other appropriate motion as may be filed by the Released Entities in response to any Claim filed in litigation or arbitration;

    (ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

    (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

    (iv) Return of monies paid by Remnant Defendants to that Releasor under this Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Remnant Defendants by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to the Remnant Defendants under this Agreement to reduce the overall amounts to be paid under this Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and the Remnant Defendants may devise to hold the Released Entities harmless from the Claim-Over.

d. The actions of that Releasor and Remnant Defendants taken pursuant to paragraph (c) must in combination, ensure Remnant Defendants are not required to pay more with respect to Covered Conduct than the amounts owed by Remnant Defendants under this Agreement.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section IX.B.3. shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Remnant Defendant shall notify the Participating Subdivisions, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity assert a Claim-Over arising out of contractual indemnity against it.

C. **Litigation Bar.** The Settling Parties contemplate and agree that this Agreement may be pleaded as a bar to a lawsuit, and an injunction may be obtained, preventing any action from being initiated or maintained in any case sought to be prosecuted on behalf of any Releasors with respect to the Released Claims.

D. **General Release.** The Releasors acknowledge that, by executing this Agreement, and for the consideration received hereunder, it is their intention to release, and they are releasing, all Released Claims, even Unknown Claims. In connection with the releases provided for in this Agreement, each Releasor expressly, knowingly, and voluntarily waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT

> KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Releasors likewise expressly, knowingly, and voluntarily waive any rights under Section 20-7-11 of the South Dakota Codified Laws, which provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

The Releasors acknowledge that they have been advised by Plaintiffs' Settlement Counsel of the contents and effects of California Civil Code § 1542, and hereby expressly waive and release with respect to the Released Claims any and all provisions, rights, and benefits conferred by California Civil Code § 1542 or by any equivalent, similar, or comparable law or principle of law in any jurisdiction, including, but not limited to Section 20-7-11 of the South Dakota Codified Laws. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Releasor hereby expressly waives, and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Releasors' decision to enter into or participate in this Agreement.

E. **Assigned Interest Waiver.** To the extent that any Releasor has any direct or indirect interest in any rights of a third party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Remnant Defendant (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Releasor waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Remnant Defendant.

F. ***Res Judicata*.** Nothing in this Agreement shall be deemed to reduce the scope of the *res judicata* or claim preclusive effect that the Settlement gives rise to under applicable law.

G. **Effectiveness.** The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Funds or any portion thereof, by the enactment of future laws or the reinterpretation of existing law, or by any seizure of the Settlement Funds or any portion thereof.

H. **Cooperation.** The Settling Parties agree to use their best efforts and to cooperate to cause this Agreement and the Consent Judgment to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, the Settling Parties agree that they will not directly or indirectly assist or encourage any challenge to this Agreement or the Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgment. Upon the Effective Date, Plaintiffs' Settlement Counsel will also reasonably cooperate with the Remnant Defendants to secure the prompt dismissal of any and all Released Claims in the Actions and in any later-filed litigation implicated by the releases, covenants not to sue, and/or claim bars set forth herein.

I. **Liens.** Each Participating Subdivision agrees to be responsible for any liens, interests, actions, or claims asserted by any third party, in a derivative manner, for or against the portion of Opioid Remediation Funds allocated to that Participating Subdivision, including, without limitation, any derivative actions or claims asserted by any financial institutions, lenders, insurers, agents, representatives, successors, predecessors, assigns, attorneys, bankruptcy trustees, and any and all other entities that may claim through them in a derivative manner.

J. **Claims Excluded from Release**. Notwithstanding the foregoing, the releases provided herein shall not release claims of governmental entities that do not participate in the Settlement; claims arising solely from conduct by the Remnant Defendants that occurs after the Effective Date; claims against the Remnant Defendants other than the Released Claims; or claims alleging a breach of this Agreement or seeking to enforce this Agreement.

X. Miscellaneous Provisions

A. **Population of Subdivisions.** The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. **No Admission of Liability or Wrongdoing.** The Parties agree to settle the Released Claims and to execute this Agreement solely to compromise and settle protracted, complicated, and expensive litigation. The Remnant Defendants do not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgment shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Remnant Defendants.

C. **Voluntary Settlement.** Each Settling Party warrants and represents that it negotiated the terms of this Agreement in good faith, without any degree or duress or compulsion, and after consultation with competent legal counsel. The Settling Parties agree that throughout the course of the litigation of the Action, the Settling Parties and their counsel vigorously prosecuted their claims and/or defenses consistent with the applicable rules of procedure.

D. **Authorization to Enter Settlement Agreement.** The undersigned representatives of Remnant Defendants represent they are fully authorized to enter into and execute this Agreement on behalf of Remnant Defendants. Plaintiffs' Settlement Counsel represent that they

are, pursuant to MDL Court appointment, expressly authorized to take all action required or permitted to be taken pursuant to this Agreement to effectuate its terms and enter into and execute this Agreement and any modifications or amendments to this Agreement, on behalf of the Participating Subdivisions, that they deem appropriate.

E. **Integrated Agreement.** Except for any amendments, alterations, or modifications provided for under Section X.G., this Agreement, including its exhibits and any other attachments, and the Related Agreements, embodies the entire agreement and understanding between and among the Settling Parties relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral, and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter. It is understood by the Settling Parties that, except for the matters expressly represented herein, the facts or law with respect to which this Agreement is entered into may turn out to be other than or different from the facts now known to each party or believed by such party to be true. Each Settling Party therefore expressly assumes the risk of the facts or law turning out to be so different, and agrees that this Agreement shall be in all respects effective and not subject to termination by reason of any such different facts or law.

H. **Execution in Counterparts.** This Agreement may be executed in one or more counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature. Counsel for the Settling Parties to this Agreement shall exchange among themselves original or scanned counterparts and a complete, assembled executed counterpart shall be filed with the MDL Court.

I. **Construction.** None of the Settling Parties shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. **Each Party to Bear Its Own Costs and Fees.** Except as otherwise provided herein, each Settling Party shall bear its own attorneys' fees and other litigation expenses and costs.

K. **Federal Rule of Evidence 408.** The Settling Parties agree that this Agreement, its terms and the negotiations surrounding this Agreement shall be governed by Federal Rule of Evidence 408 and shall not be admissible or offered or received into evidence in any suit, action, or other proceeding, except as provided in this Agreement, upon the written agreement of the Settling Parties hereto, pursuant to an order of a court of competent jurisdiction, or as shall be necessary to give effect to, or to declare or enforce the rights of the Settling Parties with respect to, any provision of this Agreement.

L. **Use of Agreement as Evidence.** Neither this Agreement nor the Settlement, nor any act performed, statement made, or document executed pursuant to or in furtherance of this Agreement or the Settlement: (a) is, may be deemed to be, or may be used as an admission or evidence of the validity of any Released Claims, any allegation made in any Action, or any wrongdoing or liability of Remnant Defendants; or (b) is, may be deemed to be, or may be used as an admission or evidence of any liability, fault, or omission of the Released Entities in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion, issue preclusion, or similar defense or counterclaim. Notwithstanding anything to the contrary in this Agreement or otherwise, Remnant Defendants may file or use this Agreement and related materials in any action: (i) involving a determination regarding insurance coverage; (ii) involving a determination of the taxable income or tax liability of any Remnant Defendants; (iii) to support a claim for contribution and/or indemnification; or (iv) to support any argument or defense by a Remnant Defendant that the Pooled Settlement Amount provides a measure of compensation for asserted harms or otherwise satisfies the relief sought.

M. **Preservation of Records.** For five years following the Effective Date, (i) the Notice and Claims Administrator shall be required to keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data submitted in connection with any Participation Form; and (ii) each Participating Subdivision shall keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data supporting its Participation Form.

Any Settling Party may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section X.O.

P. **Consent to Jurisdiction.** The Remnant Defendants, the Plaintiffs' Settlement Counsel, and Participating Subdivisions (including all Releasors) hereby irrevocably submit to the exclusive jurisdiction of the MDL Court only for the specific purpose of any suit, action, proceeding, or dispute arising out of or relating to the enforcement of this Agreement or the applicability of this Agreement. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, the Remnant Defendants, the Plaintiffs' Settlement Counsel, and the Participating Subdivisions and the Participating Subdivisions' Counsel irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the MDL Court or that the MDL Court is in any way an improper venue or an inconvenient forum. Nothing herein shall be construed as a submission to jurisdiction for any purpose other than any

suit, action, proceeding, or dispute arising out of or relating to enforcement of this Agreement or the applicability of this Agreement. For the avoidance of doubt, nothing herein shall be construed as a submission to jurisdiction in any action involving a determination regarding insurance coverage.

Q. **Resolution of Disputes; Retention of Exclusive Jurisdiction.** Any disputes between or among the Remnant Defendants and any Participating Subdivision concerning matters contained in this Agreement, including the Plan of Allocation, shall, if they cannot be resolved by negotiation and agreement, be submitted to the MDL Court. The MDL Court shall retain exclusive jurisdiction over the implementation and enforcement of the Settlement.

R. **Choice of Law.** This Agreement shall be construed and enforced in accordance with, and governed by, the applicable provisions of the Federal Rules of Civil Procedure and Evidence, and the internal, substantive laws of the State of Ohio without giving effect to that State's choice of law principles.

S. **No Waiver.** No delay or omission by any Settling Party in exercising any rights under this Agreement will operate as a waiver of that or any other right. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. **Preservation of Privilege**. Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. **Duty Not to Encourage Non-Participation.** Plaintiffs' Settlement Counsel agrees not to in any way encourage, promote, or solicit any Subdivision, or their counsel, to decline to participate in this Settlement, or seek any relief inconsistent with this Settlement.

V. **Tax Cooperation and Reporting.**

1. Upon request by any Remnant Defendant, the Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Remnant Defendant to establish the statements set forth in Section III.B. to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section X.V.1., each Participating Subdivision shall cooperate in good faith with any Remnant Defendant with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement. The Settling Parties agree to cooperate in good faith to provide documentation and perform such further acts, reporting, or allocation to achieve maximum deductibility under the terms of this Agreement.

3. The Designated Subdivision, as defined in Section I.K., on behalf of all Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "*Appropriate Official*"). The Designated Subdivision shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Settling Parties, an IRS Form 1098-F with respect to each of the Remnant Defendants and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Remnant Defendant, and (b) provides to each of the Remnant Defendants a copy of (i) the IRS Form 1098-F filed with respect to such Remnant Defendant and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section III.B.

4. The Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section X.V.3., and any similar document, shall be prepared and filed in a manner consistent with reporting each Remnant Defendant's portion of the Pooled Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and each Remnant Defendant's portion of the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 2 of IRS Form 1098-F. If the Designated Subdivision or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section X.V. other than an IRS Form 1098-F, the Designated Subdivision shall direct and ensure that the Appropriate Official provides to each Remnant Defendant a draft of such return, amended return, or written statement in respect of such Remnant Defendant no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Remnant Defendant on the return, amended return, or written statement in respect of such Remnant Defendant.

5. For the avoidance of doubt, neither the Remnant Defendants nor the Participating Subdivisions make any warranty or representation to any Participating Subdivision or Releasor as to the tax consequences of any aspect of the Settlement or this Agreement.

W. **No Third-Party Beneficiaries**. Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Released Entity. No Participating Subdivision may assign or otherwise convey any right to enforce any provision of this Agreement.

X. **Confidentiality.** The terms of this Agreement shall remain confidential until Subdivision Settlement Participation Forms are submitted to Subdivisions pursuant to the terms of this Agreement, or the proposed order to establish qualified settlement funds is submitted to the MDL Court, whichever occurs first; *provided that*, prior to then the Settling Parties may disclose the terms of this Settlement to accountants, lenders, auditors, legal counsel, tax advisors, insurers, or consultants; or as part of any security or other disclosure required by law (as determined by a Settling Party and its counsel); or in response to a request by any governmental, judicial, or regulatory authority or otherwise required by applicable law or court order; and Participating Subdivisions may disclose the terms of the Settlement to any entity that has applied to serve as Notice and Claims Administrator, or Settlement Fund Administrator, who shall abide by the terms of this paragraph. Any formal press release by a Settling Party regarding this Settlement prior to entry of the Final Judgment shall be shared in advance with the other Settling Party, with a reasonable opportunity for comments and suggested changes.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities providing free naloxone to anyone in the community.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the six (6) Remnant Defendants' Settlement Agreement ("RDSA"), dated February 23, 2026, and described further in Paragraph 1, and acting through the undersigned authorized official, hereby elects to participate in the RDSA, release all Released Claims against all Released Entities, and agrees as follows:

1. The Governmental Entity hereby elects to participate in the RDSA as a Participating Subdivision with each of the following six (6) Remnant Defendants that are parties to the RDSA: (1) Associated Pharmacies, Inc. (and American Associated Pharmacies), (2) J M Smith Corporation, (3) Morris and Dickson Co., L.L.C., (4) Louisiana Wholesale Drug Company, Inc., (5) North Carolina Mutual Wholesale Drug Company, Inc., and (6) United Natural Foods, Inc. (and SuperValu).

2. The Governmental Entity is aware of and has reviewed the RDSA, understands that all capitalized terms not defined in this Combined Participation Form have the meanings defined in the RDSA, and agrees that by executing this Combined Participation Form, the Governmental Entity elects to participate in the RDSA and become a Participating Subdivision as provided in the RDSAs.

3. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed against any Released Entity in the RDSA. With respect to any Released Claims pending in *In Re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice for each of six (6) Remnant Defendants listed in Paragraph 1 above substantially in the form found at *https://nationalopioidsettlement.com/additional-settlements/.*

4. The Governmental Entity agrees to the terms of each of the RDSA pertaining to Participating Subdivisions as defined therein.

5. By agreeing to the terms of the RDSA settlements and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

6. The Governmental Entity agrees to use any monies it receives through the RDSA solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the MDL Court and agrees to follow the process for resolving any disputes described in the RDSA.

8. The Governmental Entity has the right to enforce the RDSA as provided therein.

9. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes of the RDSA, including without limitation all provisions related to release of any claims, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in the RDSA in any forum whatsoever. The release provided for in the RDSA is intended by the Parties to be broad and shall be interpreted so as to give the Released Entities in the RDSA the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The RDSA shall be a complete bar to any Released Claim against the Released Entities.

10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the RDSA.

11. In connection with the releases provided in the RDSA, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims in the RDSA, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the RDSA.

12. The Governmental Entity understands and acknowledges that nothing herein is intended to modify in any way the terms of any of the RDSA, to which Governmental Entity hereby agrees. To the extent this Combined Participation Form is interpreted differently from the RDSA in any respect, the RDSA controls.

I have all necessary power and authorization to execute this Combined Participation Form on behalf of the Governmental Entity.

19. "*Participation Agreement*." An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.

20. "*Qualifying Representation*." Legal services provided for representation of the MDL PEC or Participating Subdivision who filed a lawsuit against any opioid defendant as of December 1, 2025, in state or federal court, and meet the eligibility criteria of Section IV.32.

21. "*Qualifying Tribal Representation.*" Representation by an attorney of a Participating Tribal Government, whether their actions are filed in state or federal court against any opioid defendant as of December 1, 2025 and meet the eligibility criteria of Section IV.32.

22. "*State Back-Stop Agreement*." Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys' fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.[5]

II. Total Exhibit H Attorney Fee and Cost Funds

23. Total attorneys' fees and costs to be paid by the Remnant Defendants under this Fee Agreement ("Private Attorney Fees" and/or "Exhibit H Attorneys Fee and Cost Funds") shall be Twelve point four percent (12.4%) of the total amount to be paid by the Remnant Defendants under the Pooled Settlement Agreement. This amount is to be divided between the MDL Direct Cost Fund and the Attorney Fee Fund in accordance with sections III and IV herein.[6] In no event shall the Remnant Defendants be required to pay any amount in connection with the Settlement in excess of the amount they respectively contributed to the Pooled Settlement Amount. Such payment shall be made from the Settlement Funds on a date after the Effective Date as set forth in the Pooled Settlement Agreement ("Payment Date").

24. Settlement of Non-Participating Subdivisions.

If any Remnant Defendant settles with any Non-Participating Subdivision after the Effective Date, that Remnant Defendant agrees to withhold from such settlement the same 7.5% Payment that would have been due if that Non-Litigating Subdivision had participated in the Pooled Settlement Agreement, to be divided, administered and utilized as set forth in Paragraph 30 below.

III. MDL Direct Cost Fund

25. Subject to any adjustments as set forth below, the total MDL Direct Cost Fund to be deducted from the Settlement Funds shall be $303,637.50 to cover all necessary MDL costs, including the costs of mediation and the administration of this Fee Agreement. The funds shall be paid by the Payment Date.

a. It is the intention of the Parties that the MDL Direct Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Fee Agreement and

[5] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

[6] The MDL Direct Cost Fund amount represents 2.5% of the Private Attorney Fees paid herein and amounts to $303,637.50 and the Attorney Fee Fund represents the remaining funds amounting to $11,801,862.50.

shall design the process and procedures for the allocation of costs pursuant to this Fee Agreement and the MDL Court's Order.

b. The costs of the Cost and Expense Fund Administrator shall be paid from the MDL Direct Cost Fund, including any interest or return therein, to fairly charge the fund the costs incurred in implementing and supervising the fund.

c. At the conclusion of the Pooled Settlement Agreement process, any funds not allocated by the Cost and Expense Fund Administrator in the MDL Direct Cost Fund (including any interest or return accrued therein) shall be transferred to the MDL Common Benefit Fund. Any shortfall in the MDL Direct Cost Fund may be transferred to the MDL Direct Cost Fund from the Attorney Fee Fund as the Cost and Expense Fund Administrator deems necessary. For the avoidance of doubt, the Remnant Defendants shall have no obligation to pay any amount in connection with the Settlement in excess of the amount they respectively contributed to the Pooled Settlement Amount.

IV. Attorney Fee Fund

26. The total Attorney Fee Fund to be deducted from the Settlement Funds shall be $11,801,862.50, subject to any adjustments as set forth above and below. The funds shall be paid by the Payment Date.

27. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

a. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

28. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Pooled Settlement Agreement and are not available from any Defendant that does not proceed with the Pooled Settlement Agreement through the Effective Date. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non- Litigating Subdivisions, and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

29. *Attorney Fee Fund and Sub Funds.*

a. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

b. In no event shall any Remnant Defendant be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund than the amount specified in the Pooled Settlement Agreement. The amounts allocated to the Contingency Fund and the Common Benefit Fund shall be subject to the reductions and refunds set forth above and below.

c. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Pooled Settlement Agreement, as set forth in Exhibit E to the Pooled Settlement Agreement, and shall be made applying the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement. The collection of the data and calculations for the mathematical model have been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis was spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the model. The Fee Panel shall oversee the application of the model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section IV.32. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

d. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

e. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard. The decision of the MDL Court is final and non-appealable.

30. *Common Benefit Fund (60% of the Attorney Fee Fund).*

a. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund in the amount of $7,081,117.50, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

b. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

i. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

ii. satisfy the eligibility criteria set forth in subsection IV.G.

c. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section IV.32. shall be eligible.

d. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement, and the May 1, 2018 Order (MDL Docket 358) and any other applicable Orders of the MDL Court.

e. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which the Applicant and his or her clients have contributed to increasing (or reducing) participation in the Pooled Settlement Agreement. The Fee Panel may also consider additional fee recoveries the Applicant may have obtained or potentially could obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Pooled Settlement Agreement or not. It is the intent of this provision to recognize that the goal of the Pooled Settlement Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Pooled Settlement Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Pooled Settlement Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non- Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

f. As set forth in Section IV.33., the Fee Panel must consider the factors described in IV.33.f. to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction to an Applicant shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement.

g. The provisions for Common Benefit Fund payments under this Agreement satisfy any assessments or withholdings from the Pooled Settlement Agreement that are or could be required under the Ongoing Common Benefit Order of May 9, 2022 (MDL Docket 4428).

h. Pursuant to Ongoing Common Benefit Order of May 9, 2022, Docket 4428, the MDL PEC has established the Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court. Pursuant to Section VII of that Order, as described in Section II.24. above, each Defendant named in any case pending in the MDL is required to hold back the 7.5% common benefit percentage from all applicable judgments and settlements entered after the date of that Order and to deposit such amounts into the Common Benefit Fund.

31. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

a. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund in the amount of $4,720,745.00 subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

b. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection IV.32. For the avoidance of doubt, the Contingency Fee Fund shall be available to Attorneys who represent Subdivisions that are Participating Subdivisions who filed a lawsuit against any opioid defendant as of December 1, 2025, in state or federal court, and meet the eligibility criteria of Section IV.32.

c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive the objection to jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

d. In the event that a Remnant Defendant, prior to the Effective Date of this Agreement, settles with any Litigating Subdivision that would have been eligible to participate in this Fee Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating

Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Pooled Settlement Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to that Remnant Defendant, except that the amount returned or credited shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

e. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against the Remnant Defendants, including by jointly seeking stays or severance of claims against the Remnant Defendants where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

32. *Eligibility*.

a. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all Attorney Fee Fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in Section IV.32.c., must be subject to the criteria set forth in Section IV.28., and must be disclosed to the Fee Panel.

b. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the

requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

c. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and certified by the Attorney:

i. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

ii. The Attorney must represent whether s/he has a present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

iii. The Attorney must represent whether s/he will engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Preliminary Agreement Date, other than the Attorney recommending participation in this Agreement.

iv. The Attorney must represent whether s/he will charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States.

v. The Attorney must represent whether s/he has a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

vi. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to

the Pooled Settlement Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

vii. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

viii. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Pooled Settlement Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.

d. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling or Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future Common Benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this Section.

e. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Fee Panel, which may be combined with certifications as to other settling opioid defendants for efficiency and at the Panel's discretion.

f. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

g. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or becomes unable to affirm compliance with the eligibility

criteria set forth above, the Attorney shall notify the Fee Panel. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify the Remnant Defendants when it receives notification.

h. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney thirty (30) days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

i. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Pooled Settlement Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

j. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

k. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

33. *Calculation of Amounts Due.*

a. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from the Remnant Defendants as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non- Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in Section IV.30.e.; and (c) such other information as the Remnant Defendants may voluntarily elect to provide.

b. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel

for the Remnant Defendants) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

c. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section IV.32. of this Fee Agreement and the criteria set forth in Section IV.30.b. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

   i. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

   ii. The novelty, time, and complexity of the Qualifying Representations;

   iii. The skill requisite to perform legal services properly and undesirability of the case;

   iv. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

   v. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

   vi. Any "common detriment," as set forth in Section IV.30.e.

   vii. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

viii. The experience, reputation, and ability of the Applicant;

ix. Whether the Applicant's clients brought Released Claims against Released Entities;

x. The status of discovery in cases primarily handled by the Applicant;

xi. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

xii. Any pressure points successfully asserted by the Applicant in cases against the Remnant Defendants or any risk for the Remnant Defendants created by the Applicant in cases against them;

xiii. Any risk for Remnant Defendants created by Applicants in cases against the Remnant Defendants;

xiv. Successful and unsuccessful motion practice in cases worked on by the Applicant;

xv. The date of filing of any cases filed by the Applicant;

xvi. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

xvii. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

xviii. Whether the Applicant's clients brought claims against the Remnant Defendants;

xix. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

xx. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

xxi. Whether the Applicant's cases have survived motions to dismiss;

xxii. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

xxiii. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that

was done litigating after the announcement of the Pooled Settlement Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process;

xxiv. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and

xxv. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

d. In the event that States and/or Political Subdivisions enter into an additional global settlement with a party or parties other than the Remnant Defendants participating in the Pooled Settlement Agreement that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, and (b) creates a separate common benefit fund to be administered by the Fee Panel, the Fee Panel may:

i. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered which were not previously subject to a final common benefit award by the MDL Court;

ii. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees for such settlements, including consideration of beneficial or detrimental actions taken with respect to any Remnant Defendant contributing to the Common Benefit Attorney Fee Fund;

iii. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

iv. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

v. Be guided in their work by the Orders of the Court related to Fees and Costs.

e. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

i. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

ii. Identify all Subdivisions (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Released Claims against Released Entities, and identify all co-counsel in such cases;

iii. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

iv. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

v. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

vi. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

vii. Notwithstanding "i.-vi." above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions.

f. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

i. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section IV.32.

ii. Using criteria set forth in Sections IV.30. and IV.33., allocate amounts from the Common Benefit Fund to eligible Applicants. In making such allocations, the Panel shall apply the principles set forth in Section IV.30.e. and shall apply the principles set forth in Section IV.30. to the amounts paid to Applicants with a Common Benefit Fee Entitlement and shall allocate any reduction in the payments specified in Section IV.30. to the amounts paid to Applicants with a Common Fee Entitlement.

g. With respect to the Contingency Fee Fund, the Fee Panel shall:

i. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section IV.32.

ii. Apply the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement.

h. To the extent that there is a dispute about the calculations of the Fee Panel such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

i. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

34. *Miscellaneous*.

a. The Fee Panel shall charge an hourly rate approved by the Court. The pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Direct Cost Fund, including any interest accrued therein. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund, and any interest accrued therein, based on allocation by the Fee Panel and shall not be otherwise funded by the Remnant Defendants.

b. The MDL PEC shall provide the Remnant Defendants information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

c. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

V. Miscellaneous

35. *Termination*. If the Pooled Settlement Agreement does not proceed to the Effective Date as to a Remnant Defendant, this Fee Agreement shall be null and void as to that Remnant Defendant, and that Remnant Defendant shall not have any obligation under this Agreement other than for its ratable share of costs advanced with respect to administration of the notice and participation process as set forth in the Agreement, and that Remnant Defendant and the PEC shall take such steps as are necessary to restore the *status quo ante*.

36. *MDL Court Consideration.* This Fee Agreement shall be attached as Exhibit H to the Pooled Settlement Agreement. The MDL Court shall have no authority to increase the payments made by the Remnant Defendants beyond the amounts described in the Pooled Settlement Agreement.

37. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement or otherwise becomes final, this Fee Agreement can only be amended by (1) written agreement of the Remnant Defendants and the MDL PEC and (2) approval by the MDL Court.

38. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of the Remnant Defendants as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. For purposes of enforcing the terms and provisions of the Pooled Settlement Agreement, and this Agreement, and for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the Pooled Settlement Agreement and this Agreement, including but not limited to continuing jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against the Remnant Defendants, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Subject	Settlement of Personal Injury Claim of Lailaney Vasanjee

Summary

This is a request for City Commission approval of a litigation settlement offer in the amount of $97,000, reached at a court required mediation proceeding regarding the personal injury claims of Lailaney Vasanjee.

Ms. Vasanjee was involved in a motor vehicle accident with a city vehicle on the evening of June 6, 2023, at the intersection of U.S. Highway 1 and Wilmette Avenue. At the time of the accident, Ms. Vasanjee was 19 years old, and was in the eastbound lane of Wilmette, traveling east with a green light across the intersection with U.S. 1. A city police officer was driving a city vehicle southbound on U.S. 1 and traveled through the red light at Wilmette Avenue, striking Ms. Vasanjee's vehicle in the driver side door. The officer was on-duty at the time of the crash, but was not on an emergency call, and therefore did not have emergency lights or sirens activated. Ms. Vasanjee was wearing a seatbelt at the time of the collision, and the air bags deployed. Her 2022 Hyundia Accent was subsequently determined by her insurance company to be a total loss.

As a result of the impact, Ms. Vasanjee had complaints of frontal headaches, left eye swelling, bilateral hip pain, neck, back, and left ankle pain. She was treated the following day by emergency doctors at Advent Health Daytona and released. Due to continuing back and neck pain, she sought follow up treatment at Sterling Medical Group, and was later recommended for a lumbar radiofrequency ablation procedure at Biospine in November of 2023.

Ms. Vasanjee filed suit against the city in Circuit Court for Volusia County in September of 2024,

alleging the city employee acted negligently while operating the city vehicle. According to the report prepared by the Florida Highway Patrol, the driver of the city vehicle failed to come to a complete stop for a red light and violated the right of way of Ms. Vasanjee, creating an issue of liability for the city at trial.

From information provided by the plaintiff's counsel, the medical costs incurred by Ms. Vasanjee was in excess of $56,000, with the possibility of future medical costs. Ms. Vasanjee's demand to settle her claim against the city was for the city's sovereign immunity cap of $200,000.

This case has been set for trial in May. Court ordered mediation was held on March 18th, and a tentative settlement was reached, subject to City Commission approval, to resolve Ms. Vasanjee's claim for damages for $97,000. This is a very good negotiated settlement as a jury verdict could exceed $200,000.

If the proposed settlement agreement is rejected, it is anticipated the case would immediately go on the court's May trial docket.

Financial Impact

The settlement proceeds would be paid from Fund 504-General Liability Fund.

Citizen Impact

There is no impact to citizens.

9.2 The Bid Security of the Successful Bidder will be retained until such Bidder has executed the Agreement and furnished the required Contract Security, whereupon it will be returned; if the successful Bidder fails to execute and deliver the Agreement and furnish the required Contract Security within fifteen (15) days of the Notice of Award, OWNER may annul the Notice of Award and the Bid Security of that Bidder will be forfeited. The Bid Security of any Bidder whom OWNER believes to have a reasonable chance of receiving the award may be retained by OWNER until the seventh day after the "effective date of the Agreement" or the first day after the expiration of the period that Bids are specified to remain open in the Advertisement for Bids. Bid Security of other Bidders will be returned within seven (7) days of the Bid opening.

00110. Contract Time

The number of days within which, or the date by which, the Work is to be completed (the Contract Time) is set forth in the Bid Form and will be included in the Agreement.

00111. Liquidated Damages

Provisions for liquidated damages, if any, are set forth in the Bid Form and Agreement.

00112. Subcontractors

12.1 If the Supplementary Conditions, Bid Form and/or Specifications require the identity of certain subcontractors to be submitted to the OWNER with the bid, the bidder will list in his bid all subcontractors proposed for those portions of the work for which such identification is so required. When requested, an experience statement, pertinent information as to similar projects satisfactorily completed and other evidence of qualifications for each listed subcontractor shall be submitted within seven (7) days after the bid. If the OWNER after due investigation has reasonable objection to any proposed subcontractor, OWNER may before giving the Notice of Award request the apparent low bidder to submit an acceptable substitute without an increase in his bid price. If the apparent Successful Bidder declines to make any such substitution, the contract shall not be awarded to such Bidder, but his declining to make any such substitution will not constitute grounds for sacrificing his Bid Security. Any Subcontractor so listed and to whom OWNER does not make written objection prior to the giving of the Notice of Award will be deemed acceptable to OWNER.

12.2 In contracts where the Contract Price is on the basis of Cost-of-the-Work Plus a Fee, the apparent Successful Bidder, prior to the Notice of Award, shall identify in writing to OWNER those portions of the Work that such Bidder proposes to subcontract and after the Notice of Award may only subcontract other portions of the Work with OWNER's written consent.

00113. Material and Equipment List (Manufacturers)

If the Supplementary Conditions, Bid Form and/or Specifications require the identity of certain material and equipment manufacturers be submitted to the OWNER with the bid, the bidder will list

in his bid all material and equipment manufacturers proposed for those portions of the work for which such identification is so required. Such list shall be supplemented by product descriptions for each listed material and equipment item. Supplemental information will be submitted with the bid unless it has been prefiled with the ENGINEER. In this latter case, the bid shall state that the information has been prefiled. Equipment manufacturers/suppliers must agree to OWNER'S terms of purchase. In no event will OWNER accept terms of sale that limit OWNER'S ability to reasonably recover in the event of equipment failure/defect such as, but not limited to; mandatory arbitration clauses, venue of court proceedings and applicable law outside of Volusia County, Florida, or damage limitations that preclude recovery for failed or defective equipment that would be less than full compensation for OWNER's loss. If the OWNER after due investigation has reasonable objection to any proposed material or equipment item, OWNER may before giving the Notice of Award request the apparent low bidder to submit an acceptable substitute without an increase in his bid price. If the apparent Successful Bidder declines to make any such substitution, the contract may not be awarded to such Bidder, but his declining to make any such substitution will not constitute grounds for sacrificing his Bid Security. Any material or equipment manufacturer so listed and to whom OWNER does not make written objection prior to the giving of the Notice of Award will be deemed acceptable to OWNER. This acceptance of a material or equipment manufacturer does not relieve the CONTRACTOR from the responsibility of submitting shop drawings in accordance with Section 01300 before incorporating said material and/or equipment into the Work.

00114. Material and Equipment Substitutions

Excluding items called for in the bidders Equipment and Subcontractors List in the Bid, Section 00300, whenever it is indicated on the Drawings or specified in the Specifications that a substitute or "or equivalent" item of material or equipment may be furnished or used by CONTRACTOR if acceptable to ENGINEER, application for such acceptance will not be considered by ENGINEER until after the "effective date of the Agreement". The procedure for submittal of any such application by CONTRACTOR and consideration by ENGINEER is set forth in Section 01630 - Substitutions and Product Options.

00115. Bid Form

15.1 Bids shall be submitted on standard forms which are furnished in this Project Manual.

15.2 Bid Forms must be completed in ink or by typewriter. All blank spaces must be filled. Where indicated on the Bid Form, the Bid price of each item on the form must be stated in words and numerals; in case of a conflict, words will take precedence.

15.3 The estimate of the various quantities of work applicable to unit price items as shown on the Bid Form is approximate and is intended solely to provide the basis of comparison upon which the award of contract is made. Final payment will be made on the basis of the actual completed quantities of each item.

15.4 Bids by corporations must be executed in the corporate name by the president or a vice president (or other corporate officer accompanied by evidence of authority to sign) and the corporate

seal must be affixed and attested by the secretary or an assistant secretary. The corporate address and state of incorporation shall be shown below the signature.

15.5 Bids by partnerships must be executed in the partnership name and signed by a partner, whose title must appear under the signature and the official address of the partnership must be shown below the signature.

15.6 Bids by a Joint Venture must be executed by all individuals, Partners, or Corporations interested in the Joint Venture in the same manner that bids by these separate entities are required to be executed.

15.7 All names must be typed or printed below the signature.

Discrepancies between the indicated product of quantities and unit prices and the correct product thereof will be resolved in favor of the correct product. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

Delivery of Bonds:

2.1. When CONTRACTOR delivers the executed Agreements to OWNER, CONTRACTOR shall also deliver to OWNER such Bonds as CONTRACTOR may be required to furnish in accordance with paragraph 5.1.

Copies of Documents:

2.2. OWNER shall furnish to CONTRACTOR, at OWNER's expense, up to three copies of the Contract Documents. Additional copies will be furnished, upon request, at the cost of reproduction.

Commencement of Contract Time; Notice to Proceed:

2.3. The Contract Time will commence on the day indicated in the Notice to Proceed.

Starting the Project:

2.4. CONTRACTOR shall start to perform the work on the date when the Contract Time commences to run, but no work shall be done at the site prior to the date on which the Contract Time commences to run, and no work shall be done at the site before the Payment and Performance Bond is executed, delivered to the OWNER, and recorded in the public records of Volusia County, Florida.

Before Starting Construction:

2.5. Before undertaking each part of the Work, CONTRACTOR shall carefully study and compare the Contract Documents and check and verify pertinent figures shown thereon and all applicable field measurements. CONTRACTOR shall promptly report in writing to ENGINEER any conflict, error or discrepancy which CONTRACTOR may discover; however, CONTRACTOR shall not be liable to OWNER for failure to report any conflict, error or discrepancy in the Drawings or Specifications, unless CONTRACTOR had actual knowledge thereof or should reasonably have known thereof. No verbal agreement or conversation with any officer, agent or employee of OWNER, either before or after the execution of this Contract, shall affect or modify any of the terms or obligations herein contained.

2.6. Before any Work at the site is started, CONTRACTOR shall deliver to OWNER certificates (and other evidence of insurance requested by OWNER) which CONTRACTOR is

required to purchase and maintain in accordance with paragraphs 5.3, 5.4, 5.6 and 5.7.

ARTICLE 3 - CONTRACT DOCUMENTS; INTENT AND REUSE

3.1. The Contract Documents comprise the entire Agreement between OWNER and CONTRACTOR concerning the Work. They may be altered only by a Modification.

3.2. The Contract Documents are complementary; a requirement contained in one is applicable to all. If, during the performance of the Work, CONTRACTOR finds a conflict, error or discrepancy in the Contract Documents, he shall report it to ENGINEER in writing at once and before proceeding with the Work affected thereby; however, CONTRACTOR shall not be liable to OWNER for failure to report any conflict, error or discrepancy in the Specifications or Drawings unless CONTRACTOR had actual knowledge thereof or should reasonably have known thereof. The various Contract Documents shall be given precedence, in case of conflict, error or discrepancy, as follows: Modifications, Agreement, Addenda, Supplementary Conditions, General Conditions, Drawings and Specifications. In a series of Modifications or Addenda the latest will govern.

3.3. It is the intent of the Specifications and Drawings to describe a complete project (or part thereof) to be constructed in accordance with the Contract Documents. Any Work that may reasonably be inferred from the Specifications or Drawings as being required to produce the intended results shall be supplied whether or not it is specifically called for. When words which have well-known technical or trade meaning are used to describe Work, materials or equipment such words shall be interpreted in accordance with such meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association, or to the code of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard specification, manual or code in effect at the time of opening of Bids (or, on the effective date of the Agreement if there were no Bids), except as may be otherwise specifically stated. However, no provision of any referenced standard specification, manual or code (whether or not specifically incorporated by reference in the Contract Documents) shall change the duties and responsibilities of OWNER, CONTRACTOR or ENGINEER, or any of their agents or employees from those set forth in the Contract Documents. Clarifications and interpretations of the Contract Documents shall be issued by ENGINEER as provided for in paragraph 9.2.

3.4. The Contract Documents will be governed by the law of the State of Florida, and venue for any action brought thereunder shall lie solely and exclusively in the Circuit Court in and for Volusia County, Florida.

Reuse of Documents:

3.5. Neither CONTRACTOR nor any Subcontractor, manufacturer, fabricator, supplier or distributor shall have or acquire any title to or ownership rights in any of the Drawings, Specifications or other documents (or copies of any thereof) prepared by or bearing the seal of ENGINEER; and they shall not reuse any of them on extensions of the Project or any other project without written consent of OWNER and ENGINEER and specific written verification or adaptation by ENGINEER.

ARTICLE 4 - AVAILABILITY OF LANDS; PHYSICAL CONDITIONS; REFERENCE POINTS

4.1. OWNER shall furnish, as indicated in the Contract Documents, the lands upon which the Work is to be performed, rights-of-way for access thereto, and such other lands which are designated for the use of CONTRACTOR. Easements for permanent structures or permanent changes in existing facilities will be obtained and paid for by OWNER, unless otherwise provided in the Contract Documents. If CONTRACTOR believes that any delay in OWNER's furnishing these lands or easements entitles him to an extension of the Contract Time, CONTRACTOR may make a claim therefor as provided in Article 12. CONTRACTOR shall provide for all additional lands and access thereto that may be required for temporary construction facilities or storage of materials and equipment.

Physical Conditions - Investigations and Reports:

4.2. Reference is made to the Supplementary Conditions for identification of those reports of investigations and tests of subsurface and latent physical conditions at the site or otherwise affecting cost, progress or performance of the Work which have been relied upon by ENGINEER in preparation of the Drawings and Specifications. Such reports are not guaranteed as to accuracy or completeness and are not part of the Contract Documents.

Unforeseen Physical Conditions:

4.3. CONTRACTOR shall promptly, after becoming aware of and before further disturbing conditions affected thereby or performing any work in connection therewith, notify ENGINEER in writing of any subsurface or latent physical conditions at the site or in an existing structure differing materially from those indicated or referred to in the Contract Documents. CONTRACTOR, upon discovering and notifying OWNER of such subsurface or latent conditions, shall not perform work in the affected area until authorized to do so by OWNER. ENGINEER will promptly review those conditions and determine if further investigation or tests are necessary. If so determined by the ENGINEER, OWNER shall promptly obtain the necessary additional investigations and tests and furnish copies to CONTRACTOR. If ENGINEER finds that the results of such investigations or tests indicate that there are subsurface or latent physical conditions which differ materially from those intended in the Contract Documents, and which could not reasonably have been anticipated by CONTRACTOR, a Change Order authorizing CONTRACTOR to perform the additional work may be issued incorporating the necessary revisions.

Reference Points:

4.4. OWNER shall provide engineering surveys for construction to establish reference points which in his judgment are necessary to enable CONTRACTOR to proceed with the Work. CONTRACTOR shall be responsible for laying out the Work (unless otherwise specified in the General Requirements), shall protect and preserve the established reference points and shall make no changes or relocations without the prior written approval of OWNER. CONTRACTOR shall report to ENGINEER whenever any reference point is lost or destroyed or requires relocation because of necessary changes in grades or locations, and shall be responsible for replacement or relocation of such reference points by professionally qualified personnel.

ARTICLE 5 - BONDS AND INSURANCE

Performance and Other Bonds:

5.1. CONTRACTOR shall furnish Performance and Payment Bonds, each in an amount at least equal to the Contract Price as security for the faithful performance and payment of all CONTRACTOR's obligations under the Contract Documents. The City will record the bonds in the public records at the CONTRACTOR's expense. These Bonds shall remain in effect at least until one (1) year after the date of final payment, except as otherwise provided by law. All bonds shall be deemed to contain all of the Conditions of Section 255.05, Florida Statutes, even if such language is not directly contained within the bond. CONTRACTOR shall also furnish such other Bonds as are required by the Supplementary Conditions. All Bonds shall be in the forms prescribed by the bidding documents or Supplementary Conditions and be executed by such Sureties as (i) are licensed to conduct business in the State of Florida, and (ii) are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff Bureau of Accounts, U.S. Treasury Department. All Bonds signed by an agent must be accompanied by a certified copy of the authority to act.

5.2. If the Surety on any Bond furnished by CONTRACTOR is declared bankrupt or becomes insolvent or its right to do business is terminated in the State of Florida or it ceases to meet the requirements of clauses (i) and (ii) of paragraph 5.1, CONTRACTOR shall within five (5) days after notice thereof, substitute another Bond and Surety, both of which shall meet the requirements of clauses (i) and (ii) of paragraph 5.1.

CONTRACTOR's Liability Insurance:

5.3. CONTRACTOR and on-site Subcontractors shall purchase and maintain such Commercial General Liability and other insurance as will provide protection from claims set forth below which may arise out of or result from CONTRACTOR's performance of the Work and CONTRACTOR's other obligations under the Contract Documents, whether such performance is by CONTRACTOR, by any Subcontractor, by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable;

5.3.1. Claims under workers' compensation, disability benefits and other similar employee benefit acts;

5.3.2. Claims for damages because of bodily injury, occupational sickness or disease, or death of CONTRACTOR's employees;

5.3.3. Claims for damages because of bodily injury, sickness or disease, or death of any person other than CONTRACTOR's employees.

5.3.4. Claims for damages insured by personal injury liability coverage which are sustained (i) by any person as a result of an offense directly or indirectly related to the employment of such person by CONTRACTOR, or (ii) by any other person for any other reason.

5.3.5. Claims for damages, other than to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom; and

5.3.6. Claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle.

The insurance required by this paragraph 5.3 shall include the specific coverages and be written for not less than the limits of liability and coverages provided in the **Supplementary Conditions**, or required by law, whichever is greater. The Commercial General Liability insurance shall include completed operations insurance. All such insurance shall contain a provision that the coverage afforded will not be canceled, materially changed or renewal refused until at least **sixty** (60) days prior written notice of such cancellation, non-renewal or change (except for nonpayment of premium, which shall be fifteen (15) days) has been given to OWNER. All such insurance shall remain in effect until final payment and at all times thereafter when CONTRACTOR may be correcting, removing or replacing defective Work in accordance with paragraph 13.12. In addition, CONTRACTOR shall maintain such completed operations insurance for at least two years after final payment and furnish OWNER with evidence of continuation of such insurance at final payment and one year thereafter.

Contractual Liability Insurance:

5.4. The Commercial General Liability insurance required by paragraph 5.3 will include contractual liability insurance applicable to CONTRACTOR's obligations under paragraphs 6.15 and 6.16. The OWNER shall be named as “Additionally Insured” under the CONTRACTOR's Commercial General Liability insurance policy.

Owner's Liability Insurance:

5.5. OWNER may, at its option, purchase and maintain its own liability insurance and, at its option, may purchase and maintain such insurance as will protect OWNER against claims which may arise from operations under the Contract Documents.

Property Insurance:

5.6. CONTRACTOR shall purchase and maintain property insurance upon the Work at the site to the full insurable value thereof (subject to such deductible amounts as may be provided in the Supplementary Conditions or required by law). This insurance shall include the interests of

OWNER, CONTRACTOR, and Subcontractors in the Work, shall insure against the perils of fire and extended coverage and shall include "all risk" insurance for physical loss and damage including theft, vandalism and malicious mischief, collapse and water damage, and such other perils as may be provided in the Supplementary Conditions, and shall include damages, losses and expenses arising out of or resulting from any insured loss or incurred in the repair or replacement of any insured property (including fees and charges of engineers, architects, attorneys and other professionals). If not covered under the "all risk" insurance or otherwise provided in the Supplementary Conditions, CONTRACTOR shall purchase and maintain similar property insurance on portions of the Work stored on and off the site or in transit when such portions of the Work are to be included in the Application for Payment. The policies of insurance required to be purchased and maintained by CONTRACTOR in accordance with paragraphs 5.6 and 5.7 shall contain provisions that the coverage afforded will not be canceled or materially changed until at least **sixty** (60) days prior written notice has been given to OWNER.

5.7. CONTRACTOR shall purchase and maintain such boiler and machinery insurance as may be required by the Supplementary Conditions or by law. This insurance shall include the interests of OWNER, CONTRACTOR and Subcontractors in the Work.

5.8. OWNER shall not be responsible for purchasing and maintaining any property insurance to protect the interests of CONTRACTOR or Subcontractors in the Work to the extent of any deductible amounts that are provided in the Supplementary Conditions. If CONTRACTOR wishes property insurance coverage within the limits of such amounts, CONTRACTOR may purchase and maintain it at his own expense.

5.9. If CONTRACTOR requests in writing that other special insurance be included in the property insurance policy, OWNER shall, if possible, include such insurance, and the cost thereof shall be charged to CONTRACTOR by appropriate Change Order. Prior to commencement of the Work at the site, OWNER shall in writing advise CONTRACTOR whether or not such other insurance has been procured by OWNER.

Waiver of Rights:

5.10. OWNER and CONTRACTOR waive all rights against each other and the Subcontractors and their agents and employees and separate contractors (if any) and their subcontractors' agents and employees, for damages caused by fire or other perils to the extent covered by insurance provided under paragraphs 5.6 and 5.7, inclusive, or any other property insurance applicable to the Work, except such rights as they may have to the proceeds of such insurance held by OWNER as trustee. OWNER shall require similar written waivers from each separate contractor, and CONTRACTOR shall require similar written waivers from each Subcontractor (in accordance with paragraph 6.8 as applicable); each such waiver will be in favor of all other parties enumerated in this paragraph 5.10.

Receipt and Application of Proceeds:

5.11. Any insured loss under the policies of insurance required by paragraphs 5.6 and 5.7 shall be adjusted with CONTRACTOR and made payable to CONTRACTOR as trustee for the insured, as their interests may appear, subject to the requirements of paragraph 5.12. CONTRACTOR shall

deposit in a separate account any money so received, and shall distribute it in accordance with such agreement as the parties in interest may reach. If no other special agreement is reached the damaged Work shall be repaired or replaced, the moneys so received applied on account thereof and the Work and the cost thereof covered by an appropriate Change Order.

5.12. CONTRACTOR as trustee shall have power to adjust and settle any loss with the insurers unless one of the parties in interest shall object in writing within fifteen days after the occurrence of loss to CONTRACTOR's exercise of this power. If such objection be made, CONTRACTOR as trustee shall make settlement with the insurers in accordance with such agreement as the parties in interest may reach. If required in writing by any party in interest, CONTRACTOR as trustee shall upon the occurrence of an insured loss, give bond for the proper performance of his duties.

Acceptance of Bonds and Insurance:

5.13. If OWNER has any objection to the coverage afforded by or other provisions of the Bonds or Insurance required to be purchased and maintained by CONTRACTOR in accordance with Article 5 on the basis of non-conformance with the Contract Documents, OWNER shall so notify CONTRACTOR in writing within ten days after receipt of the certificates (or other evidence requested) required by paragraph 2.6. CONTRACTOR shall provide to OWNER such additional information in respect of insurance provided as OWNER may reasonably request. If CONTRACTOR does not purchase or maintain all of the Bonds and Insurance required of CONTRACTOR by the Contract Documents, CONTRACTOR shall notify OWNER in writing of such failure to purchase prior to the start of the Work, or such failure to maintain prior to any change in the required coverage. Without prejudice to any other right or remedy, OWNER may elect to obtain equivalent Bonds or Insurance to protect OWNER's interests at the expense of CONTRACTOR, and a Change Order shall be issued to adjust the Contract Price accordingly.

Partial Utilization - Property Insurance:

5.14. If OWNER finds it necessary to occupy or use a portion or portions of the Work prior to Substantial Completion of all the Work, such use or occupancy may be accomplished in accordance with paragraph 14.7; provided that no such use or occupancy shall commence before the insurers providing the property insurance have acknowledged notice thereof and in writing effected the changes in coverage necessitated thereby. The insurers providing the property insurance shall consent by endorsement on the policy or policies that the property insurance shall not be canceled or lapse on account of any such partial use of occupancy.

ARTICLE 6 - CONTRACTOR'S RESPONSIBILITIES

Supervision and Superintendence:

6.1. CONTRACTOR shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. CONTRACTOR shall be solely responsible for the means, methods, techniques, sequences and procedures of construction.

CONTRACTOR shall be responsible to see that the finished Work complies accurately with the Contract Documents.

6.2. CONTRACTOR shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without written notice to OWNER except under extraordinary circumstances. The superintendent will be CONTRACTOR's representative at the site and shall have authority to act on behalf of CONTRACTOR. All communications given to the superintendent shall be as binding as if given to CONTRACTOR.

Materials and Equipment:

6.3. All materials and equipment installed in the Work shall be of good quality and new, except as otherwise provided in the Contract Documents. If required by ENGINEER, CONTRACTOR shall furnish satisfactory evidence (including reports of required tests) as to the kind and quality of materials and equipment.

Equipment manufacturers/suppliers must agree to OWNER'S terms of purchase. In no event will OWNER accept terms of sale that limit OWNER'S ability to reasonably recover in the event of equipment failure/defect such as, but not limited to; mandatory arbitration clauses, venue of court proceedings and applicable law outside of Volusia County, Florida, or damage limitations that preclude recovery for failed or defective equipment that would be less than full compensation for OWNER's loss.

6.4. All materials and equipment shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturer, fabricator, supplier or distributor, except as otherwise provided in the Contract Documents.

Concerning Subcontractors:

6.5. CONTRACTOR shall not employ any Subcontractor or other person or organization (including those who are to furnish the principal items of materials or equipment), whether initially or as a substitute, to which OWNER may have any reasonable objection. CONTRACTOR shall submit with his Bid in writing the names, mailing addresses, and work classifications of all Subcontractors proposed for the Work. The failure to list all Subcontractors proposed for the Work may result in the Bid being rejected as incomplete and nonresponsive. A Subcontractor or other person or organization identified in writing to OWNER by CONTRACTOR prior to the Notice of Award and not objected to in writing by OWNER prior to the Notice of Award will be deemed acceptable to OWNER. Acceptance of any Subcontractor, other person or organization of OWNER shall not constitute a waiver of any right of OWNER to reject defective Work. If OWNER after due investigation has reasonable objection to any Subcontractor, other person or organization proposed by CONTRACTOR after the Notice of Award because the qualifications and experience of the Subcontractor, other person or organization indicate that he cannot perform or provide work, materials or equipment which will perform the specified functions, CONTRACTOR shall submit an acceptable substitute and the Contract Price shall be increased or decreased by the difference in cost occasioned by such substitution, and an appropriate Change Order may be issued. CONTRACTOR shall not be required to employ any Subcontractor, other person or organization to which CONTRACTOR has any reasonable objection. Whether

objections are reasonable shall be determined as specified in paragraph 9.8.

6.6. CONTRACTOR shall be fully responsible for all acts and omissions of his Subcontractors and of persons and organizations directly or indirectly employed by them and of persons and organizations for whose acts any of them may be liable to the same extent that CONTRACTOR is responsible for the acts and omissions of persons directly employed by CONTRACTOR. Nothing in the Contract Documents shall create any contractual relationship between OWNER and any Subcontractor or other person or organization having a direct contact with CONTRACTOR, nor shall it create any obligation on the part of OWNER to pay or to see to the payment of any moneys due any Subcontractor or other person or organization, except as may otherwise be required by law. OWNER may furnish to any Subcontractor or other person or organization, to the extent practicable, evidence of amounts paid to CONTRACTOR on account of specific Work done.

6.7. The divisions and sections of the Specifications and the identifications of any Drawings shall not control CONTRACTOR in dividing the Work among Subcontractors or delineating the Work to be performed by any specific trade.

6.8. All Work performed for CONTRACTOR by a Subcontractor will be pursuant to an appropriate agreement between CONTRACTOR and the Subcontractor which specifically binds the Subcontractor to the applicable terms and conditions of the Contract Documents for the benefit of OWNER and contains waiver provisions as required by paragraph 5.10. CONTRACTOR shall pay each Subcontractor an appropriate share of any insurance proceeds received by CONTRACTOR on account of losses under policies issued pursuant to paragraphs 5.6 through 5.8.

6.9. Neither the OWNER nor the ENGINEER will undertake to settle any differences between CONTRACTOR and his Subcontractors or between Subcontractors.

Patent Fees and Royalties:

6.10. CONTRACTOR shall pay all license fees and royalties and assume all costs incident to the use in the performance of the Work or the incorporation in the Work of any invention, design, process, product or device which is the subject of patent rights or copyrights held by others. If a particular invention, design, process, product or device is specified in the Contract Documents for use in the performance of the Work and if to the actual knowledge of OWNER its use is subject to patent rights or copyrights calling for the payment of any license fee or royalty to others, the existence of such rights shall be disclosed by OWNER in the Contract Documents. CONTRACTOR shall **indemnify** and **hold harmless** OWNER and anyone directly or indirectly employed by either of them from and against all claims, damages, losses and expenses (including attorneys' fees) arising out of any infringement of patent rights or copyrights incident to the use in the performance of the Work or resulting from the incorporation in the Work of any invention, design, process, product or device not specified in the Contract Documents, and shall defend all such claims in connection with any alleged infringement of such rights. OWNER will promptly notify CONTRACTOR of any such allegation of infringement of such rights.

Safety and Protection:

6.11. Precaution shall be exercised at all times by the CONTRACTOR for the protection of all persons, including employees, and property. The CONTRACTOR shall comply with all laws, regulations or ordinances related to safety and health, shall make special effort to detect hazardous conditions, and shall take prompt action where loss control/safety measures are reasonably expected. The OWNER may order work to be stopped if conditions exist that present on immediate danger to persons or property. The CONTRACTOR acknowledges that such stoppage will not shift responsibility for any damages from the CONTRACTOR to the OWNER.

6.12. CONTRACTOR be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. CONTRACTOR shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

6.12.1. All employees on the Work and other persons who may be affected thereby.

6.12.2. All the Work and all materials or equipment to be incorporated therein, whether in storage on or off the site, and

6.12.3. Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

CONTRACTOR shall comply with all applicable laws, ordinances, rules, regulations and orders of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss; and shall erect and maintain all necessary safeguards for such safety and protection. CONTRACTOR shall notify owners of adjacent property and utilities when prosecution of the Work may affect them. All damage, injury or loss to any property referred to in paragraph 6.12.2 or 6.12.3 caused, directly or indirectly, in whole or in part, by CONTRACTOR, any Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, shall be remedied by CONTRACTOR. CONTRACTOR's duties and responsibilities for the safety and protection of the Work shall continue until such time as all the Work is completed and ENGINEER has issued a notice to OWNER and CONTRACTOR in accordance with paragraph 14.12 that the Work is acceptable.

6.13. CONTRACTOR shall designate a responsible member of his organization at the site whose duty shall be the prevention of accidents. This person shall be CONTRACTOR's superintendent unless otherwise designated in writing by CONTRACTOR to OWNER.

Emergencies:

6.14. In emergencies affecting the safety or protection of persons or the Work or property at the site or adjacent thereto, CONTRACTOR, without special instruction or authorization from OWNER, is obligated to act to prevent threatened damage, injury or loss. CONTRACTOR shall give OWNER prompt written notice of any significant changes in the Work or deviations from the Contract Documents caused thereby.

Indemnification/Hold Harmless:

6.15 The parties recognize that the CONTRACTOR is an independent contractor. The CONTRACTOR agrees to assume liability for and indemnify, hold harmless, and defend the CITY, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR, its agents, officers, contractors, subcontractors, employees, or anyone else utilized by the CONTRACTOR in the performance of this Agreement. The CONTRACTOR's liability hereunder shall include all attorney's fees and costs incurred by the CITY in the enforcement of this indemnification provision. This includes claims made by the employees of the CONTRACTOR against the CITY and the CONTRACTOR hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. Such obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

In the event of any claim arising out of the paragraph above, the CITY will elect, in its sole discretion, that either:

1) The CONTRACTOR assume control of the defense of any claim asserted by a third party against the CITY and, in connection with such defense, shall appoint lead counsel, in each case at the CONTRACTOR's expense. The CITY shall have the right, at its option, to participate in the defense of any third party claim, without relieving CONTRACTOR of any of its obligations hereunder. If the CONTRACTOR assumes control of the defense of any third party claim in accordance with this paragraph, the CONTRACTOR shall obtain the prior written consent of the CITY before entering into any settlement of such claim. If the CONTRACTOR assumes control of the defense and the CONTRACTOR has failed or is failing to prosecute or defend vigorously the third party claim, the CITY may assume the control of the defense as provided by sub (2); or

2) The CITY will assume control of the defense of any third party claim, but CONTRACTOR shall pay the fees of counsel retained by the CITY and all expenses, including experts' fees.

Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith. It is further the specific intent and agreement of said parties that all the Contract Documents on this Project are hereby amended to include the foregoing indemnification. CONTRACTOR expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes or is unenforceable pursuant to Section 725.06, Florida Statutes.

Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the CITY may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

Precaution shall be exercised at all times by the CONTRACTOR for the protection of all persons, including employees and property. The CONTRACTOR shall comply with all applicable laws, regulation and ordinances related to safety and health, shall make special efforts to detect hazardous conditions, and shall take prompt action with loss control/safety measures as are reasonably necessary. The CITY may order work to be stopped if conditions exist that present an immediate danger to persons or property. The CONTRACTOR acknowledges that such work stoppage will not shift responsibility for any damages from the CONTRACTOR to the CITY.

Payment on Behalf of OWNER:

6.16. The CONTRACTOR agrees to pay on behalf of the OWNER, and to pay the cost of the OWNER's legal defense, as may be selected by the OWNER, for all claims described in 6.15 Indemnification/Hold Harmless. Such payment on behalf of the OWNER shall be in addition to any and all other legal remedies available to the OWNER and shall not be considered to be the OWNER's exclusive remedy.

ARTICLE 7 - WORK BY OTHERS

7.1. OWNER may perform additional work related to the Project by itself, or have additional work performed by utility service companies, or let other direct contracts therefor which shall contain General Conditions similar to these. CONTRACTOR shall afford the utility service companies and the other contractors who are parties to such direct contracts (or OWNER, if OWNER is performing the additional work with OWNER's employees) reasonable opportunity for the introduction and storage of materials and equipment and the execution of work, and shall properly connect and coordinate his Work with theirs.

7.2. If any part of CONTRACTOR's Work depends for proper execution or results upon the work of any such other contractor or utility service company (or OWNER), CONTRACTOR shall inspect and promptly report to ENGINEER in writing any patent or apparent defects or deficiencies in such work that render it unsuitable for such proper execution and results. CONTRACTOR's failure so to report shall constitute an acceptance of the work as fit and proper for integration with CONTRACTOR's Work except for latent or non-apparent defects and deficiencies in the other work.

7.3. If the performance of additional work by other contractors or utility service companies or OWNER was not noted in the Contract Documents, written notice thereof shall be given to CONTRACTOR prior to starting any such additional work. If CONTRACTOR believes that the performance of such additional work by OWNER or others involves additional expense to CONTRACTOR or requires an extension of the Contract Time, CONTRACTOR may make a claim therefor as provided in Articles 11 and 12.

7.4. Should any other contractor having, or who shall hereafter have, a contract with

OWNER for the performance of work upon the site of the Work to be performed hereunder sustain any damage through any act or omission of CONTRACTOR hereunder or through any act or omission of any Sub-contractor of CONTRACTOR, CONTRACTOR agrees to reimburse such other contractor for all such damages and to indemnify, defend and hold OWNER harmless from all such claims.

ARTICLE 8 - OWNER'S RESPONSIBILITIES

8.1. OWNER shall issue all communications to CONTRACTOR through ENGINEER.

8.2. OWNER shall furnish the data required of OWNER under the Contract Documents promptly and shall make payments to CONTRACTOR promptly after they are due as provided in paragraphs 14.3 and 14.10.

8.3. OWNER's duties with respect to providing lands and easements and providing engineering surveys to establish reference points are set forth in paragraphs 4.1 and 4.4. Paragraph 4.2 refers to OWNER's identifying and making available to CONTRACTOR copies of reports of investigations and tests of subsurface and latent physical conditions at the site or otherwise affecting performance of the Work which have been relied upon by ENGINEER in preparing the Drawings and Specifications.

8.4. OWNER's responsibilities with respect to the purchase and maintenance of liability insurance are set forth in paragraph 5.5.

8.5. In connection with OWNER's rights to request changes in the Work in accordance with Article 10, OWNER (especially in certain instances as provided in paragraph 10.4) may execute Change Orders.

8.6. OWNER's responsibility with respect to certain inspections, tests and approvals is set forth in paragraph 13.4.

8.7. The provisions relative to the OWNER's right to stop Work or suspend Work are set forth in paragraphs 6.11, 13.10 and 15.1.

ARTICLE 9 - ENGINEER'S STATUS DURING CONSTRUCTION

9.1. ENGINEER will be OWNER's representative during the construction period. The authority of ENGINEER shall, under no circumstances, relieve CONTRACTOR from CONTRACTOR's responsibilities to perform the Work in accordance with this Contract.

Clarifications and Interpretations:

9.2. ENGINEER will issue with reasonable promptness such written clarifications or interpretations of the Contract Documents (in the form of Drawings or otherwise) as ENGINEER may determine necessary, which shall be consistent with or reasonably inferable from the overall

intent of the Contract Documents. If CONTRACTOR believes that a written clarification or interpretation justifies an increase in the Contract Price or Contract Time, CONTRACTOR may make a claim therefor as provided in Article 11 or Article 12.

Rejecting Defective Work:

9.3. ENGINEER will have authority to disapprove or reject WORK which is defective, and will also have authority to require special inspection or testing of the Work as provided in paragraph 13.9, whether or not the Work is fabricated, installed or completed.

Change Orders and Payments:

9.4. In connection with ENGINEER's responsibilities as to Change Orders, see Articles 10, 11 and 12.

9.5 In connection with ENGINEER's responsibilities as to Applications for Payment, etc., see Article 14.

Project Representation:

9.6. ENGINEER may designate a Project Representative to assist ENGINEER in inspecting the performance of the Work. The duties, responsibilities and limitations of authority of any such Project Representative and assistants will be as provided in paragraphs 9.6.1 through 9.6.3.

9.6.1. General: Project Representative is ENGINEER's Agent. He shall have the authority to do anything which the ENGINEER could do. His dealings in matters pertaining to the on-site work will in general be only with OWNER, ENGINEER and CONTRACTOR. His dealings with subcontractors will only be through or with the full knowledge of CONTRACTOR or his superintendent.

9.6.2. Duties and Responsibilities: Project Representative shall:

9.6.2.1. Schedules: Review the progress schedule, schedule of Shop Drawing submissions, schedule of values and other schedules prepared by CONTRACTOR and consult with ENGINEER concerning their acceptability.

9.6.2.2. Conferences: Attend preconstruction conferences.

9.6.2.3. Liaison: Serve as ENGINEER's liaison with CONTRACTOR, working principally through CONTRACTOR's superintendent, and assist him in understanding the intent of the Contract Documents. Assist in obtaining from OWNER additional details or information, when required at the job site for proper execution of the Work.

9.6.2.4. Shop Drawings and Samples: Receive and record date of receipt of Shop Drawings and samples which have been furnished by CONTRACTOR. Review the Shop Drawings for conformance with the information given in the Contract Documents. Provide office review and approval of Shop Drawings (as that term is defined in Article 1) and samples, the results of tests

and inspections and other data which any contractor is required to submit, but only for conformance with the design concept of the project and compliance with the information given in the Contract Documents; determine the acceptability of substitute materials and equipment proposed by CONTRACTOR(S); and receive and review (for general content as required by the Specifications) maintenance and operating instructions, schedules, guarantees, bonds and certificates of inspection which are to be assembled by CONTRACTOR(S) in accordance with the Contract Documents.

9.6.2.5. Review of Work, Rejection of Defective Work, Inspections and Tests: Conduct on-site inspections of the Work in progress to assist ENGINEER in determining that the Project is proceeding in accordance with the Contract Documents and that completed Work will conform to the Contract Documents. Report to ENGINEER whenever he believes that any Work is unsatisfactory, faulty or defective or does not conform to the Contract Documents, or has been damaged, or does not meet the requirements of any inspections, tests or approvals required to be made; and advise ENGINEER when he believes Work should be corrected or rejected or should be uncovered for observation, or requires special testing or inspection. Verify that tests, equipment and systems start-ups and operating and maintenance instructions are conducted as required by the Contract Documents and in the presence of the required personnel, and that CONTRACTOR maintains adequate records thereof; observe, record and report appropriate details relative to the test procedures and start-ups.

9.6.2.6. Modifications: Consider and evaluate CONTRACTOR's suggestions for modifications in Drawings or Specifications and report them to ENGINEER with recommendations. Prepare change orders as required; he may, as OWNER's representative, require special inspection or testing of the work; he shall act as interpreter of the requirements of the Contract Documents, judge of the performance thereunder by the parties thereto, and transmitter of clarification and interpretation of the Contract Documents. Process contract change orders to reflect final measured contract quantities and to reflect changes in the contract Drawings and Specifications.

9.6.2.7. Payment Requisitions: Based on his on-site observations and on his review of CONTRACTOR(S) applications for payment and the accompanying data and schedules, determine the amounts owed the CONTRACTOR(S). The ENGINEER will then approve in writing payments to CONTRACTOR(S) in such amounts; such approvals of payment will constitute a presentation to OWNER, based on such observations and review, that the Work has progressed to the point indicated and that, to the best of his knowledge, information and belief, the quality of the Work is in accordance with the Contract Documents (subject to an evaluation of the Work as a functioning Project upon Substantial Completion, to the results of any subsequent tests called for in the Contract Documents, and to any qualifications stated in his approval).

9.6.2.8. Guarantees, Certificates, Maintenance and Operation Manuals: During the course of the Work verify that guarantees, certificates, maintenance and operation manuals and other data required to be assembled and furnished by CONTRACTOR are applicable to the items actually installed; and deliver this data to ENGINEER for his review prior to final acceptance of the Project.

9.6.2.9. Completion: Before ENGINEER issues a Certificate of Substantial Completion, submit to CONTRACTOR a list of observed items requiring correction. Conduct final inspection in the company of CONTRACTOR and prepare a final list of items to be corrected. Verify that all items

on final list have been corrected and make recommendations to ENGINEER concerning acceptance.

9.6.3. Limitations of Authority: The Project Representative; shall not undertake any of the responsibilities of CONTRACTOR, subcontractors or CONTRACTOR's superintendent; shall not expedite Work for CONTRACTOR; shall not advise on or issue directions as to safety precautions and programs in connection with the Work; and shall not assist CONTRACTOR in maintaining up-to-date copies of Record Drawings.

Decisions on Disagreements:

9.7. ENGINEER will be the initial interpreter of the requirements of the Contract Documents and judge of the acceptability of the Work thereunder. Claims, disputes and other matters relating to the acceptability of the Work or the interpretation of the requirements of the Contract Documents pertaining to the execution and progress of the Work shall be referred initially to ENGINEER in writing with a request for a formal decision in accordance with this paragraph, which ENGINEER will render in writing within a reasonable time. Written notice of each such claim, dispute and other matter shall be delivered by the claimant to ENGINEER and the other party to the Agreement within fifteen days of the occurrence of the event giving rise thereto, and written supporting data will be submitted to ENGINEER and the other party within forty-five days of such occurrence unless ENGINEER allows an additional period of time to ascertain more accurate data. Failure to give the required notice constitutes a waiver of the claim.

9.8. The rendering of a decision by ENGINEER pursuant to paragraph 9.7 with respect to any such claim, dispute or other matter (except any which have been waived by the making or acceptance of final payment as provided in paragraph 14.13) will be a condition precedent to any exercise by OWNER or CONTRACTOR of such rights or remedies as either may otherwise have under the Contract Documents or at law in respect of any such claim, dispute or other matter. If the Owner agrees to pay all or part of a claim for which notice was not timely made, such agreement shall not be deemed a waiver of the right to enforce notice requirements in connection with any other claim.

Limitations on ENGINEER's Responsibilities:

9.9. Neither ENGINEER's authority to act under this Article 9 or elsewhere in the Contract Documents nor any decision made by ENGINEER in good faith either to exercise or not exercise such authority shall give rise to any duty or responsibility of ENGINEER to CONTRACTOR, any Subcontractor, any manufacturer, fabricator, supplier or distributor, or any of their agents or employees or any other person performing any of the Work.

9.10. Whenever in the Contract Documents the terms "as ordered", "as directed", "as required", "as allowed" or terms of like effect or import are used, or the adjective "reasonable", "suitable" , "acceptable", "proper" or "satisfactory" or adjectives of like effect or import are used, to describe requirements, decision, review or judgment of ENGINEER as to the Work, it is intended that such requirement, direction, review or judgment will be solely to evaluate the Work for compliance with the Contract Documents (unless there is a specific statement indicating otherwise). The use of any such term or adjective never indicates that ENGINEER shall have

authority to supervise or direct performance of the Work or authority to undertake responsibility contrary to the provisions of paragraphs 9.11 or 9.12.

9.11. ENGINEER will not be responsible for CONTRACTOR's means, methods, techniques, sequences or procedures of construction, or the safety precautions and programs incident thereto, and ENGINEER will not be responsible for CONTRACTOR's failure to perform the Work in accordance with the Contract Documents.

9.12. ENGINEER will not be responsible for the acts or omissions of CONTRACTOR or of any Subcontractors, or of the agents or employees of any CONTRACTOR or Subcontractor, or of any other persons at the site or otherwise performing any of the Work.

ARTICLE 10 - CHANGES IN THE WORK

10.1. Without invalidating the Agreement, OWNER may, at any time or from time to time, order additions, deletions or revisions in the Work; these will be authorized by Change Orders. Upon receipt of a Change Order, CONTRACTOR shall proceed with the Work involved. All such Work shall be executed under the applicable conditions of the Contract Documents. If any Change Order causes an increase or decrease in the Contract Price or an extension or shortening of the Contract Time, an equitable adjustment will be made as provided in Article 11 or Article 12 on the basis of a claim made by either party.

10.2. ENGINEER may authorize minor changes in the Work not involving an adjustment in the Contract Price of the Contract Time, which are consistent with the overall intent of the Contract Documents. These may be accomplished by a Field Order and shall be binding on OWNER, and also on CONTRACTOR who shall perform the change promptly. If CONTRACTOR believes that a Field Order justifies an increase in the Contract Price or Contract Time, CONTRACTOR may make a claim therefor as provided in Article 11 or Article 12.

10.3. Additional Work performed without authorization of a Change Order will not entitle CONTRACTOR to an increase in the Contract Price or an extension of the Contract Time, except in the case of an emergency as provided in paragraph 6.14 and except as provided in paragraphs 10.2 and 13.9.

10.4. OWNER may execute appropriate Change Orders covering changes in the Work which are required by OWNER, or required because of unforeseen physical conditions or emergencies, or because of uncovering Work found not to be defective or as provided in paragraph 11.9, or because of any other claim of CONTRACTOR for a change in the Contract Time or the Contract Price which is recommended by ENGINEER.

10.5. If notice of any change affecting the general scope of the Work or change in the Contract Price is required by the provisions of any Bond to be given to the Surety, it will be CONTRACTOR's responsibility to so notify the Surety, and the amount of each applicable Bond shall be adjusted accordingly. CONTRACTOR shall furnish proof of such adjustment to OWNER.

ARTICLE 11 - CHANGE OF CONTRACT PRICE

11.1. The Contract Price constitutes the total compensation (subject to authorized adjustments) payable by OWNER to CONTRACTOR for performing the Work. All duties, responsibilities and obligations assigned to or undertaken by CONTRACTOR shall be at his expense without change in the Contract Price.

11.2. The Contract Price may only be changed by a Change Order. Any claim for an increase in the Contract Price shall be based on written notice delivered to ENGINEER within fifteen days of the occurrence of the event giving rise to the claim. Notice of the amount of the claim with supporting data shall be delivered within forty-five days of such occurrence unless ENGINEER allows an additional period of time to ascertain accurate cost data.

11.3. The value of any Work covered by a Change Order or of any claim for an increase or decrease in the Contract Price shall be determined in one of the following ways:

11.3.1. Where the Work involved is covered by unit prices contained in the Contract Documents, by application of unit prices to the quantities of the items involved (subject to the provisions of paragraph 11.9).

11.3.2. By mutual acceptance of a lump sum.

11.3.3. On the basis of the Cost of the Work (determined as provided in paragraphs 11.4 and 11.5) plus a Contractor's Fee for overhead and profit (determined as provided in paragraph 11.6).

Cost of the Work:

11.4. The term Cost of the Work means the sum of all costs necessarily incurred and paid by CONTRACTOR in the proper performance of the Work. Except as otherwise may be agreed to in writing by OWNER, such costs shall be in amounts no higher than those prevailing in the locality of the Project, shall include only the following items and shall not include any of the costs itemized in paragraph 11.5:

11.4.1. Payroll costs for employees in the direct employ of CONTRACTOR in the performance of the Work under schedules of job classifications agreed upon in advance by OWNER and CONTRACTOR. Payroll costs for employees not employed full time on the Work shall be apportioned on the basis for their time spent on the Work. Payroll cost shall include, but not be limited to, salaries and wages plus the cost of fringe benefits which shall include social security contributions, unemployment, excise and payroll taxes, workers' compensation, health and retirement benefits, sick leave, vacation and holiday pay applicable thereto. Such employees shall include superintendents and foremen at the site.

11.4.2. Cost of all materials and equipment furnished and incorporated in the Work, including costs of transportation and storage thereof, and manufacturers' field services required in connection therewith. All cash discounts shall accrue to CONTRACTOR unless OWNER deposits funds with CONTRACTOR with which to make payments, in which case the cash discounts shall accrue to OWNER. All trade discounts, rebates and refunds, and all returns from sale of surplus materials

and equipment shall accrue to OWNER and CONTRACTOR shall make provisions so that they may be obtained.

11.4.3. Payments made by CONTRACTOR to the Subcontractors for Work performed by Subcontractors. CONTRACTOR shall obtain competitive bids from Subcontractors acceptable to CONTRACTOR and shall deliver such bids to OWNER who will then determine which bids will be accepted. If a subcontract provides that the Subcontractor is to be paid on the basis of Cost of the Work Plus a Fee, the Subcontractor's Cost of the Work shall be determined in the same manner as CONTRACTOR's Cost of the Work. All subcontracts shall be subject to the other provisions of the Contract Documents insofar as applicable.

11.4.4. Costs of special consultants (including, but not limited to, engineers, architects, testing laboratories, surveyors, lawyers and accountants) employed for services specifically related to the Work. Any such special consultants covered by the Consultants' Competitive Negotiations Act (Section 287.055, Florida Statutes), shall be selected in accordance with such Act.

11.4.5. Supplemental costs including the following:

11.4.5.1. The proportion of necessary transportation, travel and subsistence expenses of CONTRACTOR's employees incurred in discharge of duties connected with the Work.

11.4.5.2. Cost, including transportation and maintenance, of all materials, supplies, equipment, machinery, appliances, office and temporary facilities at the site and hand tools not owned by the workmen, which are consumed in the performance of the Work, and cost less market value of such items used but not consumed which remain the property of CONTRACTOR.

11.4.5.3. Rentals of all construction equipment and machinery and the parts thereof whether rented from CONTRACTOR or others in accordance with rental agreements approved by OWNER, and the costs of transportation, loading, unloading, installation, dismantling and removal thereof - all in accordance with terms of said rental agreements. The rental of any such equipment, machinery or parts shall cease when the use thereof is no longer necessary for the Work.

11.4.5.4. Sales, use or similar taxes related to the Work, and for which CONTRACTOR is liable, imposed by any government authority.

11.4.5.5. Deposits lost for causes other than CONTRACTOR's negligence, royalty payments and fees for permits and licenses.

11.4.5.6. Losses and damages (and related expenses), not compensated by insurance or otherwise, to the Work or otherwise sustained by CONTRACTOR in connection with the execution of the Work, provided they have resulted from causes other than the negligence of CONTRACTOR, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable. Such losses shall include settlements made with the written consent and approval of OWNER. No such losses, damages and expenses shall be included in the Cost of the Work for the purpose of determining Contractor’s Fee. If, however, any such loss or damage requires construction and CONTRACTOR is placed in charge thereof, CONTRACTOR shall be paid for services a fee proportionate to that stated in paragraph 11.6.2.

11.4.5.7. The cost of utilities, fuel and sanitary facilities at the site.

11.4.5.8. Minor expenses such as telegrams, long distance telephone calls, telephone service at the site, expressage and similar petty cash items in connection with the Work.

11.4.5.9. Cost of premiums for additional Bonds and insurance required because of changes in the Work.

11.5. The term Cost of the Work shall not include any of the following:

11.5.1. Payroll costs and other compensation of CONTRACTOR's officers, executives, principals (of partnership and estimators, lawyers, auditors, accountants, purchasing and contracting agents, expediters, timekeepers, clerks and other personnel employed by CONTRACTOR whether at the site or in his principal or a branch office for general administration of the Work and not specifically included in the agreed upon schedule of job classifications referred to in subparagraph 11.4.1. - all of which are to be considered administrative costs covered by the Contractor's Fee.

11.5.2. Expenses of CONTRACTOR's principal and branch offices other than CONTRACTOR's office at the site.

11.5.3. Any part of CONTRACTOR's capital expenses, including interest on CONTRACTOR's capital employed for the Work and charges against CONTRACTOR for delinquent payments.

11.5.4. Cost of premiums for all Bonds and for all insurance whether or not CONTRACTOR is required by the Contract Documents to purchase and maintain the same (except for additional Bonds and insurance required because of changes in the Work).

11.5.5. Costs, including damages, due to the negligence of intentional acts of CONTRACTOR, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, including but not limited to, the correction of defective Work, disposal of materials or equipment wrongly supplied and making good any damage to property.

11.5.6. Other overhead or general expense costs of any kind and the costs of any item not specifically and expressly included in paragraph 11.4.

Contractor's Fee:

11.6. The Contractor's Fee allowed to CONTRACTOR for overhead and profit shall be determined as follows:

11.6.1. A mutually acceptable fixed fee; or if none can be agreed upon,

11.6.2. A fee based on the following percentages of the various portions of the Cost of the Work;

11.6.2.1. For costs incurred under paragraphs 11.4.1. and 11.4.2., the Contractor's Fee shall be ten percent,

11.6.2.2. For costs incurred under paragraph 11.4.3., the Contractor's Fee shall be five percent; and if a subcontract is on the basis of Cost of the Work Plus a Fee, the maximum allowable to the Subcontractor as a fee for overhead and profit shall be ten percent, and

11.6.2.3. No fee shall be payable on the basis of costs itemized under paragraphs 11.4.4., 11.4.5. and 11.5.

11.7. The amount of credit to be allowed by CONTRACTOR to OWNER for any such change which results in a net decrease in costs, will be the amount of the actual net decrease. When both additions and credits are involved in any one change, the combined overhead and profit shall be figured on the basis of the net increase, if any.

Adjustment of Unit Prices:

11.8. Whenever the cost of any Work is to be determined pursuant to paragraphs 11.4. and 11.5., CONTRACTOR will submit in form acceptable to ENGINEER an itemized cost breakdown together with supporting data.

11.9. Where the quantity of Work with respect to any item that is covered by a unit price differs materially and significantly from the quantity of such Work indicated in the Contract Documents, an appropriate Change Order may be issued on recommendation of ENGINEER to adjust the unit price.

ARTICLE 12 - CHANGE OF THE CONTRACT TIME

12.1. The Contract Time may only be changed by a written Change Order. Any claim for an extension in the Contract Time shall be based on written notice delivered to ENGINEER within fifteen days of the occurrence of the event giving rise to the claim. Notice of the extent of the claim with supporting data shall be delivered within forty-five days of such occurrence unless ENGINEER allows an additional period of time to ascertain more accurate data. All claims for adjustment in the Contract Time shall be determined by ENGINEER if OWNER and CONTRACTOR cannot otherwise agree. Any change in the Contract Time resulting from any such claim shall be incorporated in a written Change Order.

12.2. The Contract Time will be extended in an amount equal to time lost due to delays beyond the control of CONTRACTOR if a claim is made therefor as provided in paragraph 12.1. Such delays shall include, but not be limited to, acts or neglect by OWNER or others performing additional Work as contemplated by Article 7, or fires, floods, labor disputes, epidemics, abnormal weather conditions, or acts of God.

12.3. All time limits stated in the Contract Documents are of the essence of the Agreement. The CONTRACTOR shall not be entitled to any claim for damages on account of hindrances or delays from any cause whatsoever, but if occasioned by an act of God, or by any act or omission

on the part of the Owner, such act, hindrance or delay may entitle the CONTRACTOR to an extension of time in which to complete the work which shall be determined by the ENGINEER, provided that the CONTRACTOR will give notice in writing of the cause of such act, hindrance or delay within ten (10) days after its occurrence.

ARTICLE 13 - WARRANTY AND GUARANTEE; TESTS AND INSPECTIONS; CORRECTION, REMOVAL OR ACCEPTANCE OF DEFECTIVE WORK

Warranty and Guarantee:

13.1. CONTRACTOR warrants and guarantees to OWNER that all Work will be in accordance with the Contract Documents and will not be defective. Prompt notice of all defects shall be given to CONTRACTOR. All defective Work, whether or not in place, may be rejected, corrected or accepted as provided in this Article 13.

Access to Work:

13.2. ENGINEER and ENGINEER's representatives, other representatives of OWNER, testing agencies and governmental agencies with jurisdictional interests will have access to the Work at reasonable times for their observation, inspection and testing. CONTRACTOR shall provide proper and safe conditions for such access.

Tests and Inspections:

13.3. CONTRACTOR shall give ENGINEER timely notice of readiness of the Work for all required inspections, tests or approvals.

13.4. If any law, ordinance, rule, regulation, code, or order of any public body having jurisdiction requires any Work (or part thereof) to specifically be inspected, tested or approved, CONTRACTOR shall assume full responsibility therefor, pay all costs in connection therewith and furnish ENGINEER the required certificates of inspection, testing or approval. CONTRACTOR shall also be responsible for and shall pay all costs in connection with any inspection or testing required in connection with OWNER's acceptance of a manufacturer, fabricator, supplier, or distributor of materials or equipment proposed to be incorporated in the Work, or of materials or equipment submitted for approval prior to CONTRACTOR's purchase thereof for incorporation in the Work. The cost of all other inspections, tests and approvals required by the Contract Documents shall be paid by OWNER (unless otherwise specified).

13.5. All inspections, tests or approvals other than those required by law, ordinance, rule, regulation, code or order of any public body having jurisdiction shall be performed by organizations acceptable to OWNER and CONTRACTOR.

13.6. If any Work that is to be inspected, tested or approved is covered without written concurrence of ENGINEER, it must, if requested by ENGINEER, be uncovered for observation. Such uncovering shall be at CONTRACTOR's expense unless CONTRACTOR has given ENGINEER timely notice of CONTRACTOR's intention to cover such Work and ENGINEER

has not acted with reasonable promptness in response to such notice.

13.7. Neither observations by ENGINEER, nor inspections, tests or approvals by others shall relieve CONTRACTOR from his obligations to perform the Work in accordance with the Contract Documents, and in all events in no less than a workmanlike manner.

Uncovering Work:

13.8. If any Work is covered contrary to the written request of ENGINEER, it must, if requested by ENGINEER, be uncovered for ENGINEER's observation and replaced at CONTRACTOR's expense.

13.9. If ENGINEER considers it necessary or advisable that covered Work be observed by ENGINEER or inspected or tested by others, CONTRACTOR, at ENGINEER's request, shall uncover, expose or otherwise make available for observation, inspection or testing as ENGINEER may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, CONTRACTOR shall bear all the expenses of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction, including compensation for additional professional services, and an appropriate deductive Change Order shall be issued. If, however, such Work is not found to be defective, CONTRACTOR shall be allowed an increase in the Contract Price or an extension of the Contract Time, or both, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction if he makes a claim therefor as provided in Articles 11 and 12.

Owner May Stop the Work:

13.10. If the Work is defective, or CONTRACTOR fails to supply sufficient skilled workmen or suitable materials or equipment, OWNER may order CONTRACTOR to stop the Work, or any portion thereof, until the cause of such order has been eliminated; however, this right of OWNER to stop the Work shall not give rise to any duty on the part of OWNER to exercise this right for the benefit of CONTRACTOR or any other party.

Correction or Removal of Defective Work:

13.11. If required by ENGINEER, CONTRACTOR shall promptly, without cost to OWNER and as specified by ENGINEER, either correct any defective Work, whether or not fabricated, installed or completed, or, if the Work has been rejected by ENGINEER, remove it from the site and replace it with nondefective Work.

One Year Correction Period:

13.12. If within one year after the date of Substantial Completion or such longer period of time as may be prescribed by law or by the terms of any applicable special guarantee required by the Contract Documents, any Work is found to be defective, CONTRACTOR shall promptly, without cost to OWNER and in accordance with OWNER's written instructions, either correct such defective Work, or, if it has been rejected by OWNER, remove it from the site and replace it with nondefective Work. If CONTRACTOR does not promptly comply with the terms of such

instructions, or in an emergency where delay would cause serious risk of loss or damage, OWNER may have the defective Work corrected or the rejected Work removed and replaced, and all direct and indirect costs of such removal and replacement, including compensation for additional professional services, shall be paid by CONTRACTOR.

Acceptance of Defective Work:

13.13. If, instead of requiring correction or removal and replacement of defective Work, OWNER prefers to accept it, OWNER may do so. In such case, if acceptance occurs prior to ENGINEER's recommendation of final payment, a Change Order shall be issued incorporating the necessary revisions in the Contract Documents, including appropriate reduction in the Contract Price; or, if the acceptance occurs after such recommendation, an appropriate amount shall be paid by CONTRACTOR to OWNER.

OWNER May Correct Defective Work:

13.14. If CONTRACTOR fails, within a reasonable time after written notice of ENGINEER to proceed, to correct and to correct defective Work or to remove and replace rejected Work as required by ENGINEER in accordance with paragraph 13.11., or if CONTRACTOR fails to perform the Work in accordance with the Contract Documents (including any requirements of the progress schedule), OWNER may, after seven days' written notice to CONTRACTOR, correct and remedy any such deficiency. In exercising his rights under this paragraph OWNER shall proceed expeditiously. To the extent necessary to complete corrective and remedial action, OWNER may exclude CONTRACTOR from all or part of the site, take possession of all or part of the Work, and suspend CONTRACTOR's services related thereto, take possession of CONTRACTOR's tools, appliances, construction equipment and machinery at the site and incorporate in the Work all materials and equipment stored at the site or for which OWNER has paid CONTRACTOR but which are stored elsewhere. CONTRACTOR shall allow OWNER, OWNER's representatives, agents and employees such access to the site as may be necessary to enable OWNER to exercise his rights under this paragraph. All direct and indirect costs of OWNER in exercising such rights shall be charged against CONTRACTOR in an amount verified by ENGINEER, and a Change Order shall be issued incorporating the necessary revisions in the Contract Documents and a reduction in the Contract Price. Such direct and indirect costs shall include, in particular but without limitation, compensation for additional professional services required and all costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of CONTRACTOR's defective Work. CONTRACTOR shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by OWNER of OWNER's rights hereunder.

ARTICLE 14 - PAYMENTS TO CONTRACTOR AND COMPLETION

Application for Progress Payment:

14.1. At least ten days before each progress payment falls due (but not more often than once a month), CONTRACTOR shall submit to ENGINEER for review an Application for Payment filled out and signed by CONTRACTOR covering the Work completed as of the date of the

Application and accompanied by such supporting documentation as is required by the Contract Documents and also as ENGINEER may reasonably require. If payment is requested on the basis of materials and equipment not incorporated in the Work but delivered and suitably stored at the site or at another location agreed to in writing, the Application for Payment shall also be accompanied by such data, satisfactory to OWNER, as will establish OWNER's title to the material and equipment and protect OWNER's interest therein, including applicable insurance. Each subsequent Application for Payment shall include an affidavit of CONTRACTOR stating that all previous progress payments received on account of the Work have been applied to discharge in full all of CONTRACTOR's obligations reflected in prior Applications for Payment. The amount of retainage with respect to progress payments will be as stipulated in the Form of Agreement, Article 5.

CONTRACTOR's Warranty of Title:

14.2. CONTRACTOR warrants and guarantees that title to all Work, materials and equipment covered by an Application for Payment, whether incorporated in the project or not, will pass to OWNER at the time of payment free and clear of all liens, claims, security interests and encumbrances (hereafter in these General Conditions referred to as "Liens").

Review of Applications for Progress Payment:

14.3. ENGINEER will, within ten days after receipt of each Application for Payment, either indicate in writing a recommendation of payment, or return the Application to CONTRACTOR indicating in writing ENGINEER's reasons for refusing to recommend payment. In the latter case, CONTRACTOR may make the necessary corrections and resubmit the Application. OWNER shall, within ten days of presentation to him of the ENGINEER's recommendation of payment, pay CONTRACTOR the amount recommended.

14.4. ENGINEER may refuse to recommend the whole or any part of any payment if, in his opinion, it would be incorrect to make such representations to OWNER. He may also refuse to recommend any such payment, or, because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any such payment previously recommended to such extent as may be necessary in ENGINEER's opinion to protect OWNER from loss because:

14.4.1. The Work is defective, or completed Work has been damaged requiring correction or replacement;

14.4.2. Written claims have been made against OWNER or Liens have been filed in connection with the Work;

14.4.3. The Contract Price has been reduced because of Modifications;

14.4.4. OWNER has been required to correct defective Work or complete the Work in accordance with paragraph 13.14;

14.4.5. Of CONTRACTOR's unsatisfactory prosecution of the Work in accordance with the Contract Documents, including failure to clean up;

14.4.6. Of liquidated damages payable by CONTRACTOR; or

14.4.7. CONTRACTOR's failure to make payment to Subcontractors, or for labor, materials or equipment.

Substantial Completion:

14.5. When CONTRACTOR considers the entire Work ready for its intended use CONTRACTOR shall, in writing to ENGINEER, certify that the entire Work is substantially complete and request that ENGINEER issue a certificate of Substantial Completion. Within a reasonable time thereafter, CONTRACTOR and ENGINEER shall make an inspection of the Work to determine the status of completion. If ENGINEER does not consider the Work substantially complete, ENGINEER will notify CONTRACTOR in writing giving his reasons therefor. If ENGINEER considers the Work substantially complete, ENGINEER will prepare a certificate of Substantial Completion which shall fix the date of Substantial Completion. There shall be attached to the certificate a list of items to be completed or corrected before final payment.

14.6. OWNER shall have the right to exclude CONTRACTOR from the Work after the date of Substantial Completion, but OWNER shall allow CONTRACTOR reasonable access to complete or correct items on the list.

Partial Utilization:

14.7. Use by OWNER of completed portions of the Work may be accomplished prior to Substantial Completion of all the Work subject to the following:

14.7.1. OWNER at any time may request CONTRACTOR in writing to permit OWNER to use any part of the Work which OWNER believes to be substantially complete and which may be so used without significant interference with construction of the other parts of the Work. If CONTRACTOR agrees, CONTRACTOR will certify to ENGINEER that said part of the Work is substantially complete and request ENGINEER to issue a certificate of Substantial Completion for that part of the Work. Within a reasonable time thereafter CONTRACTOR and ENGINEER shall make an inspection of that part of the Work to determine its status of completion. If ENGINEER does not consider that part of the Work to be substantially complete, ENGINEER will notify CONTRACTOR in writing giving his reasons therefor. If ENGINEER considers that part of the Work to be substantially complete, ENGINEER will execute and deliver to CONTRACTOR a certificate to that effect, fixing the date of Substantial Completion as to that part of the Work, attaching thereto a list of items to be completed or corrected before final payment. OWNER shall have the right to exclude CONTRACTOR from any part of the Work which ENGINEER has so certified to be substantially complete, but OWNER shall allow CONTRACTOR reasonable access to complete or correct items on the list.

14.7.2. In lieu of the issuance of a certificate of Substantial Completion as to part of the Work, OWNER may take over operation of a facility constituting part of the Work whether or not it is substantially complete if such facility is functionally and separately usable; provided that prior to any such takeover, OWNER and CONTRACTOR have agreed as to the division of responsibilities

between OWNER and CONTRACTOR for security, operation, safety, maintenance, correction period, heat, utilities and insurance with respect to such facility.

14.7.3. No occupancy of part of the Work or taking over of operations of a facility will be accomplished prior to compliance with the requirements of paragraph 5.14 with regard to property insurance.

Final Inspection:

14.8. Upon written notice from CONTRACTOR that the work is complete, ENGINEER will make a final inspection with CONTRACTOR and will notify CONTRACTOR in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. CONTRACTOR shall immediately take such measures as are necessary to remedy such deficiencies.

Final Application for Payment:

14.9. After CONTRACTOR has completed all such corrections to the satisfaction of ENGINEER and delivered all maintenance and operating instructions, schedules, guarantees, Bonds, certificates of inspection, marked-up record documents and other documents - all as required by the Contract Documents, and after ENGINEER has indicated that the Work is acceptable (subject to the provisions of paragraph 14.13), CONTRACTOR may make application for final payment following the procedure for progress payments. The final Application for Payment shall be accompanied by all documentation called for in the Contract Documents and such other data and schedules as ENGINEER may reasonably require, together with complete and legally effective releases or waivers (satisfactory to OWNER) of all Liens arising out of or filed in connection with the Work. In lieu thereof and as approved by OWNER, CONTRACTOR may furnish receipts or releases in full; an affidavit of CONTRACTOR that the releases and receipts include all labor, services, material and equipment for which a Lien could be filed, and that all payrolls, material and equipment bills, and other indebtedness connected with the Work for which OWNER or his property might in any way be responsible, have been paid or otherwise satisfied; and consent of the Surety, if any, to final payment. If any Subcontractor, manufacturer, fabricator, supplier or distributor fails to furnish a release or receipt in full, CONTRACTOR may furnish a Bond or other collateral satisfactory to OWNER to indemnify OWNER against any Lien.

Final Payment and Acceptance:

14.10. If, on the basis of ENGINEER's observation of the Work during construction and final inspection, and ENGINEER's review of the final Application for Payment and accompanying documentation - all as required by the Contract Documents, ENGINEER is satisfied that the Work has been completed and CONTRACTOR has fulfilled all of his obligations under the Contract Documents, ENGINEER will, within ten days after receipt of the final Application for Payment, indicate in writing his recommendation of payment and present the Application for payment. Thereupon ENGINEER will give written notice to CONTRACTOR that the Work is acceptable subject to the provisions of paragraph 14.13. Otherwise, ENGINEER will return the Application to CONTRACTOR, indicating in writing the reasons for refusing to recommend final payment, in which case CONTRACTOR shall make the necessary corrections and resubmit the Application.

If the Application and accompanying documentation are appropriate as to form and substance, OWNER shall, within thirty days after receipt thereof pay CONTRACTOR the amount recommended by ENGINEER.

14.11. If, through no fault of CONTRACTOR, final completion of the Work is significantly delayed and if ENGINEER so confirms, OWNER shall, upon receipt of CONTRACTOR's final Application for Payment and recommendation of ENGINEER, and without terminating the Agreement, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance to be held by OWNER for Work not fully completed or corrected is less than the retainage stipulated in the Agreement, and if Bonds have been furnished as required in paragraph 5.1, the written consent of the Surety to the payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by CONTRACTOR to ENGINEER with the Application for such payment. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of claims.

CONTRACTOR's Continuing Obligation:

14.12. CONTRACTOR's obligation to perform and complete the Work in accordance with the Contract Documents shall be absolute. Neither recommendation of any progress or final payment by ENGINEER, nor the issuance of a certificate of Substantial Completion, nor any payment by OWNER to CONTRACTOR under the Contract Documents, nor any use or occupancy of the Work or any part thereof by OWNER, nor any act of acceptance by OWNER nor any failure to do so, nor the issuance of a notice of acceptability by ENGINEER pursuant to paragraph 14.10, nor any correction of defective Work by OWNER shall constitute an acceptance of Work not in accordance with the Contract Documents or a release of CONTRACTOR's obligation to perform the Work in accordance with the Contract Documents.

Waiver of Claims:

14.13. The making and acceptance of final payment shall constitute:

14.13.1. A waiver of all claims by OWNER against CONTRACTOR, except claims arising from unsettled or unfiled Liens, from defective Work appearing after final inspection pursuant to paragraph 14.8 or from failure to comply with the Contract Documents or the terms of any special guarantees specified therein; however, it shall not constitute a waiver by OWNER of any rights in respect of CONTRACTOR's continuing obligations under the Contract Documents; and

14.13.2. A waiver of all claims by CONTRACTOR against OWNER other than those previously made in writing and still unsettled or unfiled.

ARTICLE 15 - SUSPENSION OF WORK AND TERMINATION

Owner May Suspend Work:

15.1. OWNER may, at any time and without cause, suspend the Work or any portion thereof for a period of not more than ninety days by notice in writing to CONTRACTOR and Surety which

shall fix the date on which Work shall be resumed. CONTRACTOR shall resume the Work on the date so fixed. CONTRACTOR may be allowed an increase in the Contract Price or an extension of the Contract Time, or both, directly attributable to any suspension of work at OWNER's request if he makes a claim therefor as provided in Articles 11 and 12.

Owner May Terminate:

15.2. Upon the occurrence of any one or more of the following events:

15.2.1. If CONTRACTOR is adjudged a bankrupt or insolvent;

15.2.2. If CONTRACTOR makes a general assignment for the benefit of creditors;

15.2.3. If a trustee or receiver is appointed for CONTRACTOR or for any of CONTRACTOR's property;

15.2.4. If CONTRACTOR files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws;

15.2.5. If CONTRACTOR repeatedly fails to supply sufficient skilled workmen or suitable materials or equipment;

15.2.6. If CONTRACTOR repeatedly fails to make prompt payments to Subcontractors or for labor, materials or equipment;

15.2.7. If CONTRACTOR violates any laws, ordinances, rules, regulations or orders of any public body having jurisdiction;

15.2.8. If CONTRACTOR disregards the authority of ENGINEER; or

15.2.9. If CONTRACTOR otherwise violates in any substantial way any provisions of the Contract Documents.

OWNER may after giving CONTRACTOR and his Surety seven (7) days' written notice, terminate the services of CONTRACTOR, exclude CONTRACTOR from the site and take possession of the Work and of all CONTRACTOR's tools, appliances, construction equipment and machinery at the site and demand the Surety to finish the Work by whatever methods he may deem expedient but subject to the approval of OWNER. The Surety shall use the same to the full extent they could be used by CONTRACTOR (without liability to CONTRACTOR for trespass or conversion), incorporate in the Work all materials and equipment stored at the site or for which OWNER has paid CONTRACTOR but which are stored elsewhere, and finish the Work as OWNER may require. In such case CONTRACTOR shall not be entitled to receive any further payment until the Work is finished. If the unpaid balance of the Contract Price exceeds the direct and indirect costs of completing the Work, including compensation for additional professional services, such excess shall be paid to CONTRACTOR. If such costs exceed such unpaid balance, CONTRACTOR and the Surety shall be jointly and severely liable to pay the difference to OWNER. Such costs incurred by OWNER shall be incorporated in a Change Order, but in

finishing the Work OWNER shall not be required to accept the lowest figure for the Work to be performed by the Surety.

15.3. Where CONTRACTOR's services have been so terminated by OWNER, the termination shall not affect any rights of OWNER against CONTRACTOR or the Surety then existing or which may thereafter accrue. Any retention or payment of moneys due CONTRACTOR by OWNER will not release CONTRACTOR from liability.

15.4. Upon seven (7) days' written notice to CONTRACTOR and Surety, OWNER may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and terminate the Agreement. In such case, CONTRACTOR shall be paid for all Work executed, any expense sustained plus reasonable termination expenses.

CONTRACTOR May Stop Work or Terminate:

15.5. If, through no act or fault of CONTRACTOR, the Work is suspended for a period of more than ninety (90) days by OWNER or under an order of court or other public authority, or ENGINEER fails to act on any Application for Payment within thirty (30) days after it is submitted, or OWNER fails for thirty days to pay CONTRACTOR any sum finally determined to be due, the CONTRACTOR may, upon seven (7) days' written notice to OWNER, terminate the Agreement and recover from OWNER payment for all Work executed and any expense sustained plus reasonable termination expenses. In addition and in lieu of terminating the Agreement, if ENGINEER has failed to act on an Application for Payment or OWNER has failed to make any payment as aforesaid, CONTRACTOR may upon seven (7) days' notice to OWNER stop the Work until payment of all amounts then due. The provisions of this paragraph shall not relieve CONTRACTOR of his obligations to carry on the Work in accordance with the progress schedule and without delay during disputes and disagreements with OWNER.

ARTICLE 16 - MISCELLANEOUS

Giving Notice:

16.1. Whenever any provision of the Contract Documents requires the giving of written notice it shall be deemed to have been validly given if delivered in person to the individual or to a member of the firm or to an officer of the corporation for whom it is intended, or if delivered at or sent by registered or certified mail, postage prepaid, to the last business address known to the giver of the notice.

Computation of Time:

16.2. When any period of time is referred to in the Contract Documents by days, it shall be computed to exclude the first and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation.

General:

16.3. The duties and obligations imposed by these General Conditions and the rights and remedies available hereunder to the parties hereto, and, in particular but without limitation, the warranties, guarantees and obligations imposed upon CONTRACTOR by paragraphs 6.15, 13.1, 13.11, 13.14, 14.2, and 15.2, and all of the rights and remedies available to OWNER thereunder, shall be in addition to, and not in limitation of, any rights and remedies available to any or all of them which are otherwise imposed or available by law or contractor, by special warranty or guarantee or by other provisions of the Contract Documents, and the provisions of this paragraph shall be as effective as if repeated specifically in the contract Documents in connection with each particular duty, obligation, right and remedy to which they apply. All representations, warranties and guarantees made in the Contract Documents shall survive final payment and termination or completion of this Agreement.

Liquidated Damages:

16.4. OWNER and CONTRACTOR recognize that time is of the essence to complete this Project and that OWNER will suffer financial loss if the Work is not substantially complete within the time specified in Agreement, plus any extensions thereof allowed in accordance with Article 12. They also recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual loss suffered by OWNER if the Work is not substantially complete on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay OWNER the amount stated in the Contract for each day that expires after the time specified in the Contract for Substantial Completion until the Work is substantially complete. After Substantial Completion, if CONTRACTOR shall neglect, refuse or fail to complete the remaining Work within the time specified in the Contract or any proper extension thereof granted by OWNER, CONTRACTOR shall pay the OWNER an amount equal to all actual expenses incurred by the OWNER as a direct result of the CONTRACTOR'S negligence, refusal, or failure to so complete the remaining Work. In the event the CONTRACTOR is terminated or abandons the Work prior to the scheduled date for final completion, the CONTRACTOR may be liable for both liquidated damages attributable to delay and for excess completion costs.

Reports of Investigations and Tests of Subsurface and Latent Physical Conditions:

16.5. Reports of investigations and tests of subsurface and latent physical conditions at the site or otherwise affecting cost, progress or performance of the work which have been relied upon by ENGINEER in preparing the Drawings and Specifications are as listed in the Supplementary Conditions. OWNER will make such reports available for inspection to any Bidder or copies may be obtained from the ENGINEER by the Bidder at reproduction cost. These reports are not guaranteed as to accuracy or completeness, nor are they part of the Contract Documents.

Performance of Work by CONTRACTOR:

16.6. Contract Assignment. The successful bidder (or bidders) will be required to perform the work as a prime contractor. CONTRACTOR shall not sublet, sell, transfer, assign or otherwise dispose of the contract or any portion thereof, or of his right, title, or interest therein. CONTRACTOR shall perform on the site and with his own organization work equivalent to not

less than fifty (50%) percent of the total dollar value of the work to be performed under this contract except that work designated in the Supplementary Conditions as specialty work may be performed by subcontractors and the cost of any such specialty work so performed by subcontracts may be deducted from the total contract amount before computing the amount of work required to be performed by CONTRACTOR with his own organization.

Limitation of Remedy and Liability:

16.7 Contractor and Owner expressly waive any claim for consequential damages against the other including but not limited to, a waiver of claims for diminished bonding capacity, loss of financing, loss of business reputation, lost profits on other projects or other lost opportunity damage claims.

Contractor expressly agrees that any claim (tort, contract, claim in equity, or otherwise) by Contractor for damages against Owner shall not exceed the total amount of the contract price, less any amounts actually paid to the Contractor by the Owner (or by an insurer of the Owner).

All liability of the City allegedly resulting from, arising out of or connected with this Agreement, or from the performance or breach thereof, shall terminate three years from the termination of this Agreement.

Waiver of Right to Jury Trial:

16.8 THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT WHICH ANY PARTY MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY PROCEEDING, LITIGATION OR COUNTERCLAIM BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY. IF THE SUBJECT MATTER OF ANY LAWSUIT IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY TO THIS AGREEMENT SHALL PRESENT AS A NON-COMPULSORY COUNTERCLAIM IN ANY SUCH LAWSUIT ANY CLAIM BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT. FURTHERMORE, NO PARTY TO THIS AGREEMENT SHALL SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY TRIAL CANNOT BE WAIVED.

A. Payment and Performance Bonds

1. Except as otherwise provided herein, the Contractor shall, prior to beginning performance, deliver to the City, and the City shall record in the public records of Volusia County, Florida, the Contractor's Payment and Performance Bond in an amount equal to the full amount of the Contract.

2. **(a)** Payment and Performance Bonds shall not be required for any contract except those which are for the construction of a public building, for the prosecution and completion of a public work (as described in Section 180.06, **Florida Statutes,** as amended from time to time) or for repairs upon a public building or public work (as described in Section 180.06, **Florida Statutes**, as amended from time to time).

(b) With respect to those Contracts for which Payment and Performance Bonds are otherwise required:

i. Unless the City Manager, or designee, determines such Bond to be necessary to protect the interests of the City, no Contractor shall be

required to provide a Payment and Performance Bond for any Contract which is for $25,000.00 or less.

ii. Upon the request of the contractor, good cause shown by the Contractor, and a determination that the public health, safety and welfare will be sufficiently protected, the City Commission may exempt the contractor from the requirement of providing a Payment and Performance Bond for any Contract which is for more than $25,000.00 but is less than $200,000.00.

3. The Payment and Performance Bond shall list the Contractor as Principal and be issued by a surety insurer authorized to do business in Florida as a surety and listed as an acceptable surety in the Federal Register.

4. The Payment and Performance Bond shall be executed pursuant to Section 255.05, **Florida Statutes**, and be in a form substantially similar to the form set forth in Section 255.05(3), **Florida Statutes**.

5. The Payment and Performance Bond shall specifically provide coverage for delay damages due to a default by the Contractor.

6. The Payment and Performance Bond shall not make the Contract part of the Bond agreement.

7. In lieu of the Payment and Performance Bond, the Contractor may file with the Finance Director of the City, in an amount equal to the full amount of the Contract, cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in Part II, Chapter 625, **Florida Statutes**.

8. In the event the surety on any Payment and Performance Bond furnished by the Contractor is declared bankrupt or becomes insolvent, or its right to do business in the State of Florida is terminated, the Contractor shall, within five (5) working days thereafter, substitute another Payment and Performance Bond and surety acceptable to the City.

9. The Contractor is totally and solely responsible for keeping its surety informed as to the Base Contract Price as bid, significant changes in the Project Scope, and the overall progress and completion of the Project for the entire life of the Contract.

10. The payment and performance bond requirements stated herein above shall not be applicable to service-related contracts unless otherwise determined by the City Manager in order to protect the health, safety and welfare of the general public.

B. Contractual Provisions Relative to Risk Management

All contracts for any public works to be performed, and service-related contracts, for or on behalf of the City shall include at a minimum, the following, or substantially similar, provisions:

1. Hold Harmless and Indemnity

The Contractor agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor, its agents, officers, contractors, subcontractors, employees, or anyone else employed or utilized by the Contractor in the performance of this Contract. The Contractor's liability hereunder shall include all attorney's fees and costs incurred by the City in the enforcement of this provision.

2. Payment on Behalf of City

The Contractor shall pay all costs of the City's legal defense, as may be selected by the City, for all claims described in the Hold Harmless paragraph.

The Contractor shall comply with all applicable laws, regulations and ordinances related to safety and health, shall make special efforts to detect hazardous conditions, and shall take prompt action when loss control/safety measures are reasonably necessary.

The City may order work to be stopped if conditions exist that present an immediate danger to persons or property. The Contractor acknowledges that such work stoppage will not shift responsibility for any damages from the Contractor to the City.

For Service-related contracts only, the City may require the Contractor to secure a service bond with a minimum $25,000 coverage limit for the period of the service agreement. The service bond covers dishonest acts of the contractor's employees against the City. A copy of the bond shall be provided to the City when the agreement commences.

The Contractor shall also submit to the Engineer for review and approval with such promptness as to cause no delay in work, all samples required by the Contract Documents. All samples will have

been checked by and stamped with the approval of the Contractor, identified clearly as to material, manufacturer, and pertinent catalog numbers and the use for which intended. At the time of each submission, the Contractor shall, in writing, call the Engineer's attention to any deviations that the shop drawings or samples may have from the requirements of the Contract Documents.

The Engineer will review and approve with reasonable promptness shop drawings and samples, but the Engineer's review and approval shall be only for conformance with the design concept of the project and for compliance with the information given in the Contract Documents and shall not extend to means, methods, sequences, techniques or procedures of construction or to safety precautions or programs incident to the work. The review and approval of a separate item as such will not indicate approval of the assembly in which the item functions. The Contractor shall make any corrections required by the Engineer and shall return the required number of corrected copies of shop drawings and resubmit new samples for review and approval. The Contractor shall direct specific attention, in writing, to revisions other than the corrections called for by the Engineer on previous submittals. The Contractor's stamp of approval on any shop drawing or sample shall constitute a representation to the Owner and the Engineer that the Contractor has either determined and verified all quantities, dimension, field construction criteria, materials, catalog numbers, and similar data or assumes full responsibility for doing so, and that the Contractor has reviewed or coordinated each shop drawing or sample with the requirements of the work and the Contract Documents.

Where a shop drawing or sample is required by the Specifications, no related work shall be commenced until the submittal has been reviewed and approved by the Engineer.

The Engineer's review and approval of shop drawings or samples shall not relieve the Contractor from responsibility for any deviations from the Contract Documents unless the Contractor has in writing called the Engineer's attention to such deviations at the time of submission and the Engineer has given written concurrence and approval to the specific deviation, nor shall any concurrence or approval by the Engineer relieve the Contractor from responsibility for errors or omissions in the shop drawings.

Systems to be submitted in the shop drawing submittal shall include but not necessarily be limited to:

1. Each item of equipment and/or materials listed in the project equipment and material schedules;

Certifications:

Whenever a standard of quality is established by a reference specification, the Contractor shall submit a certificate by the manufacturer that the material supplied meets the requirements of both the project and reference specification.

Schedule of Values:

At least 10 days prior to submitting the first Application for a progress payment, the Contractor shall submit to the Engineer a schedule of values of the work. This schedule shall be satisfactory in form and substance to the Engineer. The schedule of values shall include quantities and unit prices aggregating the contract price, and shall subdivide the work into component parts in sufficient detail to serve as the basis for progress payments during construction. Upon acceptance of the schedule of values by the Engineer, it shall be incorporated into a form of Application for Payment acceptable to the Engineer.

Where estimated quantities and unit prices are shown in the Bid Form as the basis of payment, the quantities shown in the Bid Form are approximate and are given only as a basis of calculation upon which the award of the contract is to be made. The Owner or Engineer do not assume any responsibility that the final quantities will remain in accordance with estimated quantities, nor shall the Contractor claim misunderstanding or deception because of such estimate of quantities. Final payment will be made on the basis of the actual completed quantities of each item.

This section specifies the minimum requirements for temporary facilities, utilities to be brought to the site, refuse/waste collection and control required to enable the construction of the project to progress adequately. The providing of adequate facilities at every stage of performing the work is the Contractor's sole responsibility, and is not limited by the requirement of this section.

Except as otherwise indicated, the Contractor may, at his option, provide stand-alone utility plants to provide needed services, in lieu of connected services from available public utilities, provided such stand-along plant facilities comply with governing regulations. Prior to availability of temporary utility services, provide trucked-in/trucked-out containerized or unitized services for startup of construction operations at the site.

Except as otherwise indicated, the costs of providing and using temporary utility services are included in the Contract Sum.

1.02 TEMPORARY FACILITIES

The types of utility services required for general temporary use at the project site include the following (other specific services may be required for specific construction methods or operations):

Electrical Power Service
Water Service (potable for certain uses)
Sanitary
Storm Sewer or Open Drainage/Run-off Control
Refuse/Waste Collection

Temporary Electricity:

The Contractor shall make necessary applications and arrangements and pay all fees and charges for electrical energy for power and light necessary for proper completion of the work and during its entire progress up to time of final acceptance by the Owner. The Contractor shall provide and pay for all temporary switches, connections and meters.

The Contractor shall provide these portable sanitary facilities "on-site" for use by workers. Transporting workers to the nearest "public" sanitary facility will not be considered an acceptable alternative to these requirements.

The Contractor shall maintain the sanitary facilities in a satisfactory and sanitary condition at all times and shall enforce their use. He shall rigorously prohibit the committing of nuisances on the site of the work, on the lands of the Owner, or on adjacent property. The cost of providing these sanitary facilities shall be included in the Contractor's applicable pay items of work and no separate payment shall be made thereof.

Temporary Refuse/Waste Collection

The Contractor shall provide for adequate refuse/waste collection and disposal. City Ordinance requires that all rental open-top rolloff container units or rental cubic-yard container units must be procured from one of the City's franchised construction and demolition debris providers. For a list of the City's current Franchised Providers, please call Public Works at 386-610-0700.

It will be the Contractor's responsibility to make all necessary arrangements for refuse/waste collection and disposal. The cost of providing for such refuse/waste collection and disposal shall be included in the Contractor's applicable pay items of work and no separate payment shall be made thereof.

Termination and Removal:

At the time the need for temporary utility service or a substantial portion thereof has ended, or when its service has been replaced by use of permanent services, or not later than the time of substantial completion, promptly remove the installation unless requested by the Engineer to retain it for a longer period. Complete and restore work which may have been delayed or affected by the installation and use of the temporary utility, including repairs to construction and grades and restoration and cleaning of exposed surfaces. Wherever such property is damaged due to the activities of the Contractor, it shall be immediately restored to its original condition by the Contractor at no cost to the Owner.

In case of failure on the part of the Contractor to restore such property, or make good such damage or injury, the Owner may, after 48 hours notice to the Contractor, proceed to repair, rebuild or otherwise restore such property as may be deemed necessary and the cost thereof will be deducted from any monies due or which may become due the Contractor under this Contract.

The Contractor shall be responsible for the protection of property, in the areas in the vicinity of the project; and for the protection of his equipment, supplies, materials and work, against any damage resulting from the elements, such as flooding, by rainstorm, wind damage, or other elemental cause resulting from the project configuration. The Contractor shall take all precautions against any such damage occurrence, and shall be responsible for damage resulting from same. SECTION 01630
SUBSTITUTIONS AND PRODUCT OPTIONS

PART 1 - GENERAL

1.01 REQUESTS FOR REVIEW

A. Requests to review substitute items of material and equipment will not be accepted by the Engineer from anyone other than the Contractor. If the Contractor wishes to furnish or use a substitute or equivalent item of material or equipment, the Contractor shall make written application to the Engineer for acceptance, certifying that the proposed substitute will perform adequately the functions called for by the general design, be similar and of equivalent substance to that specified and be suited to the same use and capable of performing the same function as that specified. The application will state whether or not acceptance of the substitute for use in the work will require a change in Drawings or Specifications to adapt the design to the substitute and whether or not incorporation or use of the substitute in connection with the work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified shall be identified in the application and available maintenance, repair and replacement service will be indicated. The application will also contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs of redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the Engineer in evaluating the proposed substitute. The Engineer may require the Contractor to furnish at the Contractor's expense additional data about the proposed substitute. The Engineer will be the sole judge of acceptability, and no substitute will be ordered or installed without the Engineer's prior written acceptance. The Owner may require the Contractor to furnish at the Contractor's expense, a special performance guarantee or other surety with respect to any substitute.

1.02 SUBSTITUTION AFTER EXECUTION OF AGREEMENT

A. After execution of the Agreement, substitution of materials or equipment supplied by manufacturers or suppliers other than those listed, will be considered only if it is demonstrated by the Contractor that:

1. the material or equipment proposed for substitution is superior in design, construction and/or efficiency to that of the listed manufacturer or supplier;

2. the material proposed for substitution is in every way equal to that of the listed supplier, and that availability and/or delivery of listed materials within the time frame scheduled cannot be met; or

3. the material proposed for substitution is in every way equal to that of the listed supplier and is available at a lower cost. In the event such a substitution is allowed, the Contractor shall accept and execute a Change Order reducing the

Contract Price by an amount equal to the cost differential.

1.03 EQUIVALENT MATERIALS AND EQUIPMENT

A. Whenever materials or equipment are specified or described in the Drawings or Specifications by using the name of a proprietary item or the name of a particular manufacturer, fabricator, supplier or distributor, the naming of the item is intended to establish the type, function, and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other manufacturers, fabricators, suppliers or distributors may be accepted by the Engineer to determine that the material or equipment proposed is equivalent to that named.

B. It is not the intent of the Contract Documents to function as proprietary specifications. Where a particular manufacturer make and model are cited and specifically required for interchangeability of parts and/or match existing equipment, this has been so stated in the Specifications.

C. The standard products of manufacturers other than those specified may be considered when it is demonstrated to the ENGINEER that they are equal in quality, composition, durability, usefulness and convenience for the purpose intended. Requests for substitutions will only be considered, provided the following minimum conditions are met:

1. The proposed coating system shall use an equal or greater number of separate coats to achieve the required dry film thickness.

2. The proposed coating system shall use coatings of the same generic type.

3. All requests for substitutions shall have the directions for application and descriptive literature which includes generic type, nonvolatile content by volume and information confirming that the substitution is equal to the specified coating system.

4. The CONTRACTOR shall provide Certified Laboratory Data Sheets showing the results of complete spectrographic and durability tests performed on the proposed substitute. Tests shall be performed by a laboratory which conforms to the provisions of the American Society for Testing and Materials (ASTM E329) and which is a member of the American Council of Independent Laboratories. Costs incurred in the testing program shall be borne by the CONTRACTOR.

5. The cost of all testing and analyzing of the proposed substitute materials that may be required by the ENGINEER, shall be paid by the CONTRACTOR. If the proposed substitution requires changes in the

contract work, the CONTRACTOR shall bear all such costs involved and the costs of allied trades affected by the substitution.

SECTION 01700
CONTRACT CLOSEOUT

PART 1 - GENERAL

1.01 DESCRIPTION OF REQUIREMENTS

Definition:

Closeout is defined to include general requirements near end of Contract Time, in preparation for final acceptance, final payment, normal termination of contract, occupancy by OWNER and similar actions evidencing completion of the work. Specific requirements for individual units of work are specified in sections of Division 2 through 16. Time of closeout is directly related to "Substantial Completion", and therefore may be either a single time period for entire work or a series of time periods for individual parts of the work which have been certified as substantially complete at different dates. That time variation (if any) shall be applicable to other provisions of this section.

1.02 PREREQUISITES TO SUBSTANTIAL COMPLETION

When the CONTRACTOR considers the work to be substantially complete, he shall submit to the ENGINEER: a written notice that the work, or designated portion thereof, is substantially complete; and a list of items to be completed or corrected.

Within a reasonable time after receipt of such notice, the ENGINEER will make an inspection to determine the status of completion.

Should the ENGINEER determine that the work is not substantially complete, the ENGINEER will promptly notify the CONTRACTOR, in writing, giving the reasons. The CONTRACTOR shall remedy the deficiencies in the work and send a second written notice of substantial completion to the ENGINEER. The ENGINEER will reinspect the work.

When the ENGINEER finds that the work is substantially complete, he will prepare and deliver to the OWNER a tentative Certificate of Substantial Completion with a tentative list of items to be completed or corrected before final payment. After consideration of any objections made by the OWNER as provided in Conditions of the Contract, and when the ENGINEER considers the work substantially complete, the ENGINEER will execute and deliver to the OWNER and the CONTRACTOR a definite Certificate of Substantial Completion with a revised tentative list of items to be completed or corrected.

When the CONTRACTOR considers the work complete, he shall submit written certification that the Contract Documents have been reviewed, the work has been inspected for compliance with the Contract Documents, the work has been completed in accordance with the Contract Documents, equipment and systems have been tested in the presence of the OWNER's representative and are operational, and the work is completed and ready for final inspection.

With reasonable promptness after receipt of such certification, the ENGINEER will make an inspection to verify the status of completion. Should the ENGINEER consider that the work is

incomplete or defective, he will promptly notify the CONTRACTOR, in writing, listing the incomplete or defective work. PART 1 - GENERAL

1.01 DESCRIPTION OF REQUIREMENTS

All work performed under this contract shall be warranted for labor and materials for a minimum period of one year after date of completion and acceptance of the project. Specific warranties are noted in specific sections.

Standard product warranties are preprinted written warranties published by individual manufacturers for particular products and are specifically endorsed by the manufacturer to the Owner.

Special warranties are written warranties required by or incorporated in the Contract Documents, either to extend time limits provided by standard warranties or to provide greater rights for the Owner.

1. Refer to the General Conditions for terms of the Contractor's period for correction of the work.

Disclaimers and Limitations: Manufacturer's disclaimers and limitations on product warranties do not relieve the Contractor of the warranty on the Work that incorporates the products. Manufacturer's disclaimers and limitations on product warranties do not relieve suppliers, manufacturers and subcontractors required to countersign special warranties with the Contractor.

Related Damages and Losses: When correcting failed or damaged warranted construction, remove and replace construction that has been damaged as a result of such failure or must be removed and replaced to provide access for correction of warranted construction.

Reinstatement of Warranty: When work covered by a warranty has failed and been corrected by replacement or rebuilding, reinstate the warranty by written endorsement. The reinstated warranty shall be equal to the original warranty with an equitable adjustment for depreciation.

Replacement Cost: Upon determination that work covered by a warranty has failed, replace or rebuild the work to an acceptable condition complying with the requirements of the Contract Documents. The Contractor is responsible for the cost of replacing or rebuilding defective work regardless of whether the owner has benefited from use of the work through a portion of its anticipated useful service life.

Owner's Recourse: Expressed warranties made to the Owner are in addition to implied warranties and shall not limit the duties, obligations, rights, and remedies otherwise available under the law. Expressed warranty periods shall not be interpreted as limitations on the time in which the Owner can enforce such other duties, obligations, rights or remedies.

1. Rejection of Warranties: The Owner reserves the right to reject warranties and to limit selection to products with warranties not in conflict with requirements of the Contract Documents.

2. Where the Contract Documents require a special warranty, or similar commitment, the Owner reserves the right to refuse to accept the work, until the Contractor presents evidence that entities required to countersign such commitments are willing to do so.

Submit written warranties to the Engineer prior to the date certified for Substantial Completion. If the Engineer's Certificate of Substantial Completion designates a commencement date for warranties other than the date of Substantial Completion, submit written warranties upon request of the Engineer.

Sod shall have well matted roots.

The sod shall be sufficiently thick to secure a dense stand of live grass, with a minimum thickness of two-inches. The sod shall be live, fresh and uninjured at the time of planting. It shall be planted as soon as possible after being dug and shall be shaded and kept moist from the time it is dug until it is planted.

The sod shall be commercial size rectangles measuring 12-inches by 24-inches or larger, except where 6-inch strip sodding is called for on the drawings.

Sod shall be planted as soon as possible after being harvested and shall be shaded and kept moist from the time of harvesting until it is planted.

The source of the sod may be inspected and approved by the Engineer/Architect prior to construction.

2.02 PLANTS

Existing damaged plants shall be replaced by plants of equal type, quality and size whenever possible. All new plants shall be sound, healthy, vigorous and free from defects, decay, disfiguring, bark abrasions, plant diseases, insect pests, their eggs or larvae. The new plants shall be approved by the Engineer/Landscape Architect before placing.

Existing plants may be removed, preserved, and replaced at the Contractors option, in which case, the plants shall be handled and maintained by approved nursery staff.

Plants shall be watered and cared for until new growth appears. Dead and dying plants shall be immediately replaced.

Plants used shall be in accordance with the standards for Florida No. 1 or better, as given in the current "Grades and Standards for Nursery Plants," State of Florida, Department of Agriculture, or their equal as approved by the Engineer/Landscape Architect.

Plants shall conform to the sizes indicated by the Owner.

Preparation of Plant Pits. All plant pits shall be circular in outline and have vertical sides. Tree pits shall be two feet wider than the width of the ball and one foot deeper than the depth of the ball. Shrubs that are either B&B or in 3 gallon and under containers shall have pits that are one foot wider than the width of the plant ball and 6-inches deeper than the depth of the ball.

Setting Plants. All plants except as otherwise specified, shall be centered in pits. Balled and burlapped plants and palms shall be placed on 6-inches to 12-inches of tamped planting mixture and adjusted so as to be at the proper level. The rope and burlap shall be cut away and the burlap folded down to the bottom of the pit. Very large B&B plants shall remain wrapped until fully backfilled and then just the upper portion of the burlap shall be removed. Backfill of planting mix shall be placed halfway up the pit and then water tamped. After this water has drained away, backfill around the edge of the pit to form a saucer and fill area three times with water.

Where sodding is used in drainage ditches or ponds, the setting of the pieces shall be staggered, such as to avoid a continuous seam along the line of flow. Along the edges of such staggered areas, the offsets of individual strips shall not exceed 6-inches.

In order to prevent erosion caused by vertical edges at the outer limits, the outer pieces of sod shall be tamped so as to produce a featheredge effect.

On areas where the sod may slide, due to height and slopes, it shall be pegged, with pegs driven through the sod blocks into firm soil and at intervals as shown on the drawings or as directed by the Engineer/Architect.

Any pieces of sod which, after placing, show appearance of extreme dryness shall be removed from the work.

The sod shall be kept in a moist condition after planting and for the duration of the Contract.

Maintenance. Contractor shall maintain the planted areas in a satisfactory condition until final acceptance of the project. Such maintenance shall include mowing, edging, weed control, watering, filling, leveling and repairing of any washed or eroded areas as may be necessary.

Prior to replacing concrete or asphalt pavement replacement, a limerock base shall be laid. The base for concrete pavement shall be six (6) inches of compacted thickness, and that for asphalt pavement shall be twelve (12) inches of compacted thickness for City roadways. The base course for each shall be compacted in two equal layers to a minimum of 98% of the maximum density as determined by AASHTO, Method T-180. The Owner will have tests made by an independent testing laboratory to verify compaction results.

Non-asphalt pavement replacement shall be replaced of like material and thickness. Asphalt or built-up asphalt pavement replacement shall be replaced with like material or concrete as directed by the Engineer/Architect. Where asphalt or built-up asphalt pavement is replaced by concrete,

the concrete shall have a minimum of six (6) inches in thickness and be reinforced with 6 by 6 No. 6 gage welded wire fabric. Where the pavement replacement is of like material, it shall be replaced in thickness equal to or better than that existing at the time of removal.

Unless the base is sealed or other temporary paving applied over driveway areas to be repaved, pavement shall be replaced not later than three weeks after completion of backfill.

3.03 CURB REMOVAL AND REPLACEMENT

Curb removal and replacement required in the construction of this work shall be done by the Contractor. Reasonable care shall be exercised in removing the curb, and the Contractor shall either stockpile or dispose of this material as directed by the Engineer/Architect. Curb shall be replaced of like material in a manner and condition equal to or better than that existing at the time of removal.

3.04 TESTS

The Contractor shall furnish facilities for making all density tests and make such restorations as may be necessary due to test operations. All density tests on backfill or base replacement will be made by a commercial testing laboratory employed by the Owner and at such locations as may be recommended by the Engineer/Architect. If the densities as determined by the specified tests fall below the required minimums, the Contractor shall pay for all retests.

PART 2 - MATERIALS AND EQUIPMENT

2.01 GENERAL REQUIREMENTS - ALL SYSTEMS

A. The film thickness designated and/or the number of coats to be applied shall not be decreased and shall be increased where required to meet other manufacturer's recommendations.

B. There shall not be a change from the generic type of coating specified.

C. Manufacturer's recommendations as to which finish coat should not be used with a particular primer shall be observed. In all cases, the prime coat and finish coat shall be from the same manufacturer. All paint shall be mildew resistant.

2.02 GROUP B - STRUCTURAL STEEL; CONCRETE AND STEEL TANKS; EQUIPMENT AND PIPING (NOT IN CONTACT WITH POTABLE WATER)

A. System B-4: For use on structural steel, tanks, equipment and piping subject to sever abrasion, corrosive atmosphere, splash or spray, not in contact with wastewater or where a color finish is desired.

1. Surface Preparation: Submerged surfaces near white metal blast according to SSPC-SP-10. Non-submerged surfaces commercial blast according to SSPC-SP-6.

2. Prime: One coat chemical resistant lead chromate primer, based on a polyamide cured epoxy resin, minimum 1.5 mils dry film thickness. If shop coat is damaged, reprime bare areas in field. If shop coat is bituminous coating, prime with 2 coats of a stain barrier, 1 mil dry film thickness per coat.

3. Finish: Two coats of a polyamide cured epoxy resin applied at the rate of 4 mils dry film thickness per coat.

2.03 GROUP M - SPECIAL COATINGS

A. System M-1. For use as barrier between dissimilar materials and metals.

1. Prime: None

2. Finish: Asphaltic varnish applied at a rate of at least 2.0 mils dry film thickness.

B. System M-2. For use as a primer - sealer for coloring asphaltic and tar surfaces.

1. Prime: None

2. Finish: Vinyl phenolic sealing coat for the prevention of discoloring of the finish coat. Apply at a rate of at least 2.0 mils dry film thickness.

2.04 THINNING

A. Where thinning is necessary, only the products for the particular purpose and by the manufacturer furnishing the paint shall be allowed. All thinning shall be done strictly in accordance with the manufacturer's instructions and with the full knowledge and approval of the Engineer.

PART 3 - EXECUTION

3.01 SHOP PAINTING

A. All ferrous and nonferrous surfaces shall be solvent cleaned before priming. Primer shall be applied in the shop to protect surfaces from rust during shipment and storage.

B. Apply two coats of paint to surfaces which are inaccessible after assembly or erection.

3.02 FIELD PREPARATION

A. All surfaces to be painted shall be prepared in a workmanlike manner with the objective of obtaining a smooth, clean and dry surface. No painting shall be done before the prepared surfaces are approved by the Engineer.

B. Perform preparation and cleaning procedures in strict accordance with coating manufacturer's instructions for each substrate condition.

1. Remove hardware and accessories, machined surfaces, plates, lighting fixtures and similar items in place and not be finish-painted, or provide surface-applied protection. Reinstall removed items are painting is completed.

3.03 APPLICATION

A. Mix, prepare, and store painting and finishing materials in accordance with manufacturer's directions.

B. Apply painting and finishing materials in accordance with the manufacturer's directions. Use applicators and techniques best suited for the material and surfaces to which applied.

C. Workmanship for applying paint shall be of professional quality. The painter shall apply each coat at the rate recommended by the manufacturer smoothly without runs, sags, or holidays. If the material has thickened or must be diluted for use with a spray gun, the coating shall be built up to the same thickness as

achieved with undiluted materials. In other words, one gallon of paint as originally furnished by the manufacturer shall not cover a greater square foot area when applied by spray gun than when applied unthinned by brush. Deficiencies in film thickness shall be corrected by the application of additional coat or coats of paint. On masonry, application of rates will vary according to the surface texture; however, in no case shall the manufacturer's stated coverage rate be exceeded. On porous surfaces, it shall be the painter's responsibility to achieve a protective and decorative finish either by decreasing the coverage rate or by applying additional coats of paint. Before succeeding coats are applied to a surface, the preceding coat shall have been approved by the Engineer.

D. Drying time shall be construed to mean "under normal conditions". Where conditions are other than normal because of the weather or because painting must be done in confined spaces, longer drying times will be necessary. Additional coats of paint shall be applied, nor shall units be placed in service, until paints are thoroughly dry.
